**How Love Saved Me From Who I Used To Be** Amor Vilas Boas,Rogério Vilas Boas,2025-07-17 This book was created in memory of my Grandma She taught me everything about Love and it was through a new perception of Love along with everything she did for me that my Grandma saved me from who I was I was an atheist but a very special person helped me not only to have faith in Jesus but also to visualize Him and feel Him within me I was lost in my own identity I didn t know who I was or what I was doing in this world My granny told me You are a seed of Life created in the image and likeness of the Vine just as the orange seed is created in the image and likeness of the orange tree When Jesus says You are Gods it is the same as a tree saying to its seeds You are trees When the orange seed seeks to know the orange tree in reality that seed is getting to know itself My grandma asked me to use all the time I had here on Earth to get to know Jesus and in this way I would be getting to know myself A life without Jesus is like the sad life of an orange seed that ignores the orange tree Where will that poor seed grow In the same way that I see the orange tree in every orange seed I see the Vine I see Jesus in every seed of life that you are He divided the history of the world into before and after Through my beloved Nana He divided mine and from my testimony from this work I will pray that Jesus transforms yours My grandmother called me little lamb and led me to God by teaching me to love She pruned the dead leaves the physical and mental habits devoid of Love that prevented me from blossoming she taught me to focus my energy only on what is Alive only on Love Once in the garden she said to me Son a day without making someone s day better or easier is a wasted day We waste the day when we don t let Love express itself in us If God is love that was a day without God If God is life a day without love is a dead day I promised I wouldn t waste a single day Today I wake up asking myself Who or how am I going to love She passed away in 2019 I cried a lot but I remembered that I didn t want any lost days so instead of dying with her I let her live in me I gave up Rogério s profile my vices the Internet and started pruning plants helping my aunt and other things I started reading the Bible and praying even though I didn t understand anything I cried a lot before the cross of Jesus but instead of dying with Him I let Jesus live in me I stopped being Rog rio and was reborn as Love That s how I understood that religion is just about reconnecting I disconnected from my ego Rog rio and reconnected with Love I was converted from the son of the Flesh to the Son of God my religion is Love Self knowledge based on Love that is the true purpose of this work I hope that you find yourselves that you identify with these words and that you turn your gaze toward yourselves This book was created so that all people in the world may be happy

**Anti-slavery in America from the Introduction of African Slaves to the Prohibition of the Slave Trade (1619-1808)** Mary Stoughton Locke,1901 [No Dope-A Book of Enlightenment and Pathway to Love](#) Colbert Cobene,2006-02 When it comes to the world of Addiction we find some people sabotaging their chance at a new life recovery

just so they can again experience the drug and its effect Whether this action is carried out because of an outside influence or it is purely an act originated by the person will become part of the diagnosis once the process to recovery begins At the moment of relapse it then becomes a deadly game and if the using does not stop they may go insane or even die from drug overdose All people agree the addict must recover but there must be a genuine recovery process outlined in order to do that In addition we cannot become someone who has closed his or her eyes to the world and call ourselves recovered The recovery world itself calls for an adjustment to be made in the person's overall life their standards and principles must change if need be Life is a gift and we are placed within it to experience a demonstration This demonstration will begin to show us secrets about ourselves and especially if he she is of Black decent and have a connection with the slave holocaust here in America Why Because of who and what you are and where you came from and what you carry with you into the process of recovery The process of recovery the spirituality has many variances and can easily cause confusion if you do not become equipped with a guide All of the research on recovery has been done including the History that surrounds Black people of America In this outlined text you will see there is more to you and your recovery than what meets the eye and your heritage connects to deep spiritual roots which make it virtually impossible to live without consciousness on a higher level Welcome to the world of No Dope A Book Of Enlightenment And Pathway To Love      Notes and Queries ,1900
