Slaves Narrative:

The Slave's Narrative Henry Louis Gates, 1985 The autobiographical narratives of black ex slaves published in the eighteenth and nineteenth centuries constitute the largest body of literature produced by slaves in human history Black slaves in the New World created a veritable literature of escape depicting the overwhelming horrors of human bondage These narratives served the abolitionist movement not only as evidence of the slaves degradation but also of their intellectual capacity Accordingly this literature has elicited a wealth of analysis and controversy from its initial publication right up to our day This volume charts the response to the black slave s narrative from 1750 to the present The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

Narrative of the Life of an American Slave Frederick Douglass, 2009-07 This volume the most famous of all slave narratives written by the most towering black figure of the nineteenth century is both literature and historical analysis In a well crafted prose Douglass provides a true glimpse of the brutal experience of slavery in ante bellum America Douglass has left an indispensable legacy for modern day readers in helping them understand what it s like to be broken in body soul and spirit yet rise above unimaginable adversity to become an outstanding orator

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 1999-10-07 I was born in Tuckahoe I have no accurate knowledge of my age never having seen any authentic record containing it By far the larger part of the slaves know as little of their ages as horses know of theirs and it is the wish of most masters within my knowledge to keep their slaves thus ignorant Thus begins the autobiography of Frederick Douglass 1818 1895 who was born into slavery in Maryland and after his escape to Massachusetts in 1838 became an ardent abolitionist and campaigner for women s rights His Narrative which became an instant bestseller on publication in 1845 describes his life as a slave the cruelty he suffered at the hands of his masters his struggle to educate himself and his fight for freedom Passionately written often using striking biblical imagery the Narrative came to assume epic proportions as a founding anti slavery text in which Douglass carefully crafted both his life story and his persona This new edition examines Douglass the man and the myth his complex relationship with women and the enduring power of his book It includes extracts from Douglass s primary sources and examples of his writing on women s rights

ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Washington,Olaudah Equiano,2015-10-30 In one volume there are seven slave narratives compelling harrowing at times and beautiful stories of hope in the midst of deep adversity 1 Narrative of the Life Of Frederick Douglass An American Slave Frederick Douglass s eloquently written first autobiography was one of the most persuasive forces for emancipation as well as for the enlistment of black soldiers in the Union army It is written beautifully and the story flies past a dazzling and awful account of slavery 2 My Bondage and My Freedom This is Frederick Douglass s second autobiography written ten years after his emancipation and is unparalleled in its scope of the destructive effects of slavery on both individuals and communities The power of this book is that it delves into the minds of rational good people who were slave owners and discusses the economic conditions that sanctioned slavery s continued existence 3 Twelve Years A Slave This narrative was written by Solomon Northrup a freeman kidnapped from the North and taken to a work on a plantation in Louisiana where he lived for 12 years until he was rescued Violence sadness grief and the treatment of human beings as lower than animals are the themes that run through this famous autobiography 4 The Interesting Narrative of the Life of Olaudah Equiano or Gustavus Vassa the African Olaudah Equiano s interesting story provides an insight into a time and situation that few people survived to record or recall and those that did survive were rarely literate For this reason and so many others Equiano or Gustavus Vassa as he was later christened has a unique story to tell It is an honest and chilling account of a man born free in Africa and sold into slavery who spends most of life on the high seas until he finally acquires freedom He relates the experiences of black people in its myriad forms on three continents 5 Incidents In The Life Of A Slave Girl Seven Years Concealed In the pre civil war period of 1861 Harriet Jacobs was the only black woman in the United States to have authored her own slave narrative in a call to arouse the women of the North to a realizing sense of the condition of two millions of women at the South to convince the people of the Free States what slavery really is Jacobs hoped that should the white women of the North

know the true conditions of the slave women of the South they would not fail to answer the call to moral action With the help of a northern abolitionist Jacobs published this astounding poignant record under the pseudonym Linda Brent 6 *Up From Slavery An Autobiography* Booker T Washington writes his story modestly but his greatness shines through He spent his early childhood as a slave on a plantation in the south but after the Emancipation Proclamation was read from the porch steps of the Big House his ambitions to gain an education and make something of himself propelled him through every obstacle to his goal Booker T Washington was a tireless promoter of education for his race and founded a school for blacks in Alabama He made great strides in elevating the sights and prospects of his people 7 *Running A Thousand Miles for Freedom* This is a great story of a married couple who were slaves and escaped to freedom in a unique way It is a horrifying account of the evil of slavery and the hope of freedom and human rights A compelling read [Life Under the "peculiar Institution"](#) Norman R. Yetman,1970 Consists of one hundred and two ex slave narratives which were drawn from the Federal Writers Project *Slave Narratives A Folk History of Slavery in the United States From Interviews with Former Slaves* which was compiled in seventeen states during the years 1936 1938 *The Narrative of the Life of Frederick Douglass* Frederick Douglass,2019-06-04 Born into a family of slaves Frederick Douglass educated himself through sheer determination His unconquered will to triumph over his circumstances makes his one of America s best and most unlikely success stories Douglass own account of his journey from slave to one of America s great statesmen writers and orators is as fascinating as it is inspiring [Slavery and Class in the American South](#) William L.
