I approached the massive building carefully. How was I ever going to get in? The gatekeeper popped his head out of his little booth. He was wearing a crown and holding a sword. What on earth was going on?

I was about to open my front door when I saw a little dog running down the street toward the busy intersection. There was nobody with him. Without thinking, I took off after him and...

Peck. Peck. Peck. The little woodpecker jabbed at the tree with its beak as hard as it could, but it was hopeless. She'd never make a hole in it at this rate. She'd need to find another way to warn the kids that the path they were taking was extremely dangerous.
