

# Once Upon A Time...

...In the quiet of the night, when the moon is high and the stars are bright, I often find myself thinking of the days when I was a child, when the world was so new and so full of wonder.

Those were the days when I was full of dreams and full of hope, when I believed that anything was possible. I remember the way the sun would set over the hills, and the way the wind would rustle through the trees.

"It is only the way I think that I can be happy," I once said to myself. "The world is not what it seems, and the only way to find happiness is to look within."

Those were the days when I was full of love and full of life, when I knew that I was part of something greater than myself. I remember the way the rain would fall on the roof, and the way the snow would cover the ground.

Those were the days when I was full of joy and full of peace, when I knew that I was exactly where I needed to be. I remember the way the flowers would bloom in the spring, and the way the leaves would turn in the fall.

Those were the days when I was full of faith and full of hope, when I knew that I was part of a plan that was bigger than I could ever understand. I remember the way the sun would rise over the horizon, and the way the stars would shine in the night sky.
