Mama Root Phil Penne,2012-05-16 She s a good woman but don t get her riled She s uneducated but don t dare think you can outsmart her She s small and appears frail but under no circumstances should you underestimate her as an adversary Such is the character of Marguerite MacDomangairt better known to South Florida locals as Mama Root Mama Root is a strange and exceptionally old woman living off a very real venue called Loop Road deep in the Big Cypress Swamp of South Florida In the course of this amazing beldam s 146 years she has run afoul of shape shifters hired killers and demonic wraiths inhabiting her dreams She has heard tell of murderous spinning wheels and horses returned from the dead She has known material gain and devastating loss joy and despair ruby love and the flint of hate Should you ever find yourself traveling down Tamiami Trail and see a place called Loop Road traverse its length and witness its incredible beauty by all means But if you go about six miles and against your better judgment turn down an eerie looking trail and end up in a general store that is frozen in time face to face with a woman whose very appearance scares you out of a year s growth then I can offer only one bit of advice You d best be respectful

The Home-maker Marion Harland,1890 *The Seventh House* Steven Joseph Sinopoli,2012-08-21 The headlines read in a local newspaper Husband shoots wife and lover in a motel The copy went on to say Last night police apprehended a jealous husband who broke into a motel room on Route 3 The names have not been released Then Ken called me a few days later and said he was alright The moral of this story is very simple when you have a chart that does not call for marriage or a partner it is better to be on your own In this case Shaun and Sandy were not cut out for marriage Their charts illustrated that they should be a singles act Both were strong competitors when it came to business I cannot tell you because you are in limbo and need to learn more about your stars Unfortunately there is a special set of rules that apply to you In this lifetime you are meant to be a vehicle for others and if you acquire that sacred knowledge your life s journey will be fulfilled with rewards I could tell Gail was despicable corrupt and rotten to the core How was I going to handle her when she sat in

front of me for her reading First of all she would not have been sitting in front of me if she had had to pay for it Second she was there to find out if I would be able to pick up on her scheme to extort money Man s ego constantly challenges the theory of free will He would like to think he is master of his destiny but are we The reader should stop for a moment and think about his or her own life and the many changes that altered their direction because of an unanticipated event That is karma in the making

Women on the verge of Jihad Anna Zizola, Paolo Inghilleri, 2018-12-14T00:00:00+01:00 Surprisingly jihadi groups like ISIS do not only attract female supporters coming from Muslim communities but also Western women who grew up in non Muslim environments Trauma depression and the need for a more exciting life outside the constraints of Western society brought some women to embrace the political cause of waging jihad and supporting terrorism This book discovers the hidden psychological and sociological drivers that can lead young Western women to support jihadi ideology violence and sometimes suicide Through real and uncanny stories supported by reliable official data the book provides a scientific analysis of the mechanisms that can lead any girl next door to approve and passionately fall for a destructive movement which she perceives as a heroic romantic and empowering act
