The Days:

The Day Jesus Died Woodrow Michael Kroll,2025-03-13 If we could transport ourselves back to the first century AD would we know the year date day and hour of the crucifixion of Jesus Yes we would We may even have been an eyewitness But can we know these time markers today Yes we can In The Day Jesus Died using biblical historical archaeological and literary information of that century readers will trace the time of Jesus death to the very hour of the very day of the very year that the Savior was crucified This is not some hocus pocus pseudo science This is the real deal Based on eyewitness historical and literary accounts and relying on the methods of telling time in the first century readers can pinpoint the hour Jesus said It is finished It s almost like being there
