The Delta:

Defining the Delta Janelle Collins, 2015-11-15 Inspired by the Arkansas Review's What Is the Delta series of articles *Defining the Delta* collects fifteen essays from scholars in the sciences social sciences and humanities to describe and define this important region Here are essays examining the Delta's physical properties boundaries and climate from a geologist archeologist and environmental historian The Delta is also viewed through the lens of the social sciences and humanities historians folklorists and others studying the connection between the land and its people in particular the importance of agriculture and the culture of the area especially music literature and food Every turn of the page reveals another way of seeing the seven state region that is bisected by and dependent on the Mississippi River suggesting ultimately that there are myriad ways of looking at and defining the Delta
