Preface Once Upon a Time is usually associated with a fairy tale however in my writing it presents a realistic look at my life and my experiences that includes the hardship of the depression years war illness and losses along with hope opportunity and changes in my view of the world Against the background that reflects some of the most important events of the twentieth century in my life I put my memories into a larger cultural context Also I emphasize the qualities relating to love persistent in identity and responsibility I am trying to be chronologically as close as possible to the actual time as it happened Sometimes it was unavoidable to go forward and refer back to some event that happened in the past I started with the introduction of my larger family following with my childhood the years of puberty the growing up years the war the prison the life under communist dictatorship the fight and determination to find a better life I also deal with more recent events with my thoughts on politics religion and spirituality as they occurred in the last few years As I write incidents from the past I frequently interrupt with comments about the reasons and responses that underlines each moments Finally I closed My story with a letter exchanged between my children and me with the final conclusion that my life was worth the effort

The Demon Lover Juliet Dark,2011-12-27 I gasped or tried to My mouth opened but I couldn t draw breath His lips pearly wet parted and he blew into my mouth My lungs expanded beneath his weight When I exhaled he sucked my breath in and his weight turned from cold marble into warm living flesh Since accepting a teaching position at remote Fairwick College in upstate New York Callie McFay has experienced the same disturbingly sensual dream every night A mist enters her bedroom then takes the shape of a virile seductive stranger who proceeds to ravish her in the most toe curling wholly satisfying ways possible Perhaps these dreams are the result of her having written the bestselling book *The Sex Lives of Demon Lovers* Callie s lifelong passion is the intersection of lurid fairy tales and Gothic literature which is why she s found herself at Fairwick s renowned folklore department living in a once stately Victorian house that at first sight seemed to call her name But Callie soon realizes that her dreams are alarmingly real She has a demon lover an incubus and he will seduce her pleasure her and eventually suck the very life from her Then Callie makes another startling discovery Her incubus is not the only mythical creature in Fairwick As the tenured witches of the college and the resident fairies in the surrounding woods prepare to cast out the demon Callie must accomplish something infinitely more difficult banishing this supernatural lover from her heart Vivid and enchanting Dark s letter perfect gothic style is a satisfying tribute to previous gothic novels and the paranormal elements including incubi fae vampires and witches make this a stellar romance Booklist Top 10 SF Fantasy Juliet Dark develops a complex detailed world where magic reason and gothic literature enjoyably intersect Publishers Weekly

The Demon Lover Elizabeth Bowen, 2025-06-25 What if the past you buried waited patiently to return and collect The Demon Lover is a chilling short story that defined mid 20th century psychological horror Originally published during World War II Elizabeth Bowen's masterpiece explores how war fractures not only nations but the inner world of those who survive it Mrs Drover a middle aged woman returning to her long deserted home in London expects dust decay and silence Instead she finds a letter unmarked by time or mail service It speaks to her with knowledge no one should have As the storm outside begins to rage so too does a memory a promise made to a soldier long presumed dead This modern translation refines Bowen's evocative style for today's reader while preserving her subtle dread compact brilliance and thematic power It is a ghost story that does not rely on fright but instead on inevitability the creeping horror that the past always finds a way back What You'll Discover in This Modern Translation A ghost story rooted in psychological trauma and wartime memory A haunting exploration of broken promises repressed guilt and romantic illusion A story of dread and inevitability without jump scares or monsters A wartime setting rendered with eerie quiet and emotional devastation A gothic classic of feminine horror and emotional collapse Ideal for fans of Shirley Jackson Daphne du Maurier and Henry James The Demon Lover remains one of the most quietly terrifying ghost stories ever written
