Poverty Row HORRORS! Tom Weaver, 1993-01-01 Poverty row horror films were usually inexpensively some would say cheaply produced with writing that ranged from bad to atrocious Yet these movies with their all star horror casts Carradine Lugosi Karloff et al and their ape men mad monsters devil bats and white zombies still have a loyal audience 50 years after their release Essays contain full filmographic data on the 31 horror chillers made by the three studios from 1940 through 1946 and are arranged by year of release Each entry includes the date of release length production credits cast credits interview quotes and a plot synopsis with critical commentary Filmographies for prominent horror actors and actresses from John Abbott to George Zucco are provided in the appendices [The Screen Chills Companion, 1940-1946](#) Chris Fellner, 2025-10-10 The second in a two volume set this book presents horror fans with a treasure trove of information on every Hollywood horror movie produced during the second wave of screen scares 1940 1946

Entries on 113 films provide detailed production histories derived from trade publication reports contemporary press hype casts scenarios critiques and behind the scenes production tidbits Postscripts detailing noteworthy events that followed a picture s theatrical run such as sequels or award nominations also are featured An appendix presents the first accurate detailed history of the infamous lost chiller from New York Dr Terror s House of Horrors 1945 Profusely illustrated and painstakingly documented this complete history of the second decade of Hollywood horror is essential reading for horror fans and cinema historians alike
