**A Christian Theology of the Cross** Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God s approval of Abel s offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel s offering don t negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance

**The Devil's Blind Spot** Alexander Kluge,Martin Chalmers,2004 Scathingly clever short stories Includes *The Devil in the White House* and *The Development of Iraq as a Case for the Files* At once a genuine story teller and a literary documentarian Alexander Kluge s genius lies in the very special way he makes found material his own Each of the miniatures collected here touches on facts and is only several pages long In just a paragraph he can etch a whole world he is as great a master of compression as Kafka or Kawabata Arranged in five chapters the dozens of stories of *The Devil s Blind Spot* are condensed like novels in pill form The first group of stories illustrates the little known virtues of the Devil The second explores love from Kant and opera through the Grand Guignol The third is entitled *Sarajevo Is Everywhere* and tests how convincing power is The fourth group concerns the cosmos and the fifth ranges all our knowledge against our feelings In each piece Kluge alights on precise particulars on board the atomic submarine Kursk for instance we are marched precisely step by step through a black comedy of the exact disastrous stages of thinking that lead to catastrophe Sample titles include *The Devil in the White House* *The Development of Iraq as a Case for the Files* *Intelligence of the Second Degree* and *Love s Mouth Also Kisses the Dog*

*The Devil in Massachusetts* Marion L. Starkey,2018-12-05 This dramatic and deeply moving book combines a narrative that has the pace and excitement of a novel a timeless portrait of bigotry and a self righteousness and an authentic history of the Salem witch trials It stands alone in applying modern psychiatric knowledge to the witchcraft hysteria Nearly three hundred years ago the fate of Massachusetts was delivered into the hands of a pack of young girls Because of the fantasies and hysterical antics of unbalanced teenagers decent men and women were sent to the gallows Medical science that day had no better explanation than the evil eye and so Massachusetts was precipitated into a reign of terror that did not end until the highest in the land had been accused of witchcraft ministers a judge the Governor s lady One by one were brought to the gallows such diverse personalities as a

decent grandmother a rakish pipe smoking female tramp a plain farmer who thought only to save his wife from molestation a lame old man whose toothless gums did not deny expression to a very salty vocabulary But from the very beginning some fought the hysteria pitting sanity against insanity and eventually forced the community to atone for its tragic error Written with sly humor much of the book reads like a novel In the end one is pretty sure what was wrong with Cotton Mather the august judges and the tormented young girls The Devil in Massachusetts is a vivid and compassionate reconstruction of the Salem witchcraft hysteria Marion Starkey has written history which illustrates the past and at the same time packs and important contemporary moral Arthur Schlesinger Jr It is certainly a one sitting sort of book with the dramatic appeal of the well told story and the significances of good human history Gerald Warner Brace A fresh and full narration of one of the most lurid pitiful and deeply significant episodes in American history Odell Shepard *Melvillecrash, the book of witchcraft* Sha K,2025-08-03 For Mickey Dobins summer vacation in the sleepy town of St Alaine promises only one horror the relentless dread of returning to school and his archenemy Mathematics But when his eccentric friend Jack unearths a mysterious ancient tome the Melvillecrash an audacious plan takes root they will summon and enslave Satan himself to gain supernatural powers What begins as a seemingly innocent childhood adventure quickly spirals into a darkly comedic odyssey Armed with moonlit chants bizarre ingredients a candlestick meadowsweet flowers a white horse s horseshoe and a dangerous lack of caution Mickey and Jack plunge into the perilous world of witchcraft Their quest for demonic pacts is repeatedly and hilariously interrupted by very real earthly troubles a suspiciously watchful aunt a nosy sister and encounters with local human devils notorious criminals whose sinister plots are accidentally uncovered by the boys reckless rituals As they battle bats dodge bullets and charm policemen with outrageous lies Mickey finds himself an unwitting hero gaining fame fortune and even mastering math But their ultimate prize Satan remains tantalizingly out of reach Melvillecrash the book of witchcraft is a laugh out loud tale where childish curiosity collides with dark magic and criminal underworlds Will Mickey and Jack finally bind the Prince of Darkness Satan or will their pursuit of supernatural powers lead them down the most absurd thrilling and unexpectedly heroic path imaginable **House documents** ,1887 The Triumphs of Gods Revenge Against the Crying and Execrable Sinne of ...
