**M Lipman**

## **The Distance Between:**

**Distances Between United States Ports**, 1993     Shortening the Distance between Government and Public in China II Liu Xiaoyan, 2020-12-15 Distance in its traditional sense connotes estrangement and division But in the context of modern political studies it means a controllable resource which can be manipulated to change the relationship between the government and the public Drawing on this concept from western political science the author explores the law and mechanisms of China's political communication In this volume the author introduces the empirical investigation of the distance between government and the public in China First it discusses how the use of online social media such as Weibo can be used strategically to mediate the distance of offline communication Then it points out that social media can also lead to unlimited expression of general will to which governments should pay attention An empirical study on how rural residents of five provinces in China obtain political information is used to illustrate the point Students and scholars who are interested in political science and political communication especially Chinese politics would find this title a useful reference

**Shortening the Distance between Government and Public in China I** Liu Xiaoyan, 2020-12-15 Distance in its traditional sense connotes estrangement and division But in the context of modern political studies it means a controllable resource that can be manipulated to change the relationship between the government and the public Drawing on this concept from Western political science the author explores the law and mechanisms of China's political communication In this volume the author introduces a creative theoretical framework of distance which is a dynamic system comprised of physical and psychological distance ideal distance and real distance and natural distance and consequent distance Psychological distance is the core because it signifies not only whether there is trust between a government and the public but also whether the political community can maintain a high degree of harmony stability unity and vitality Events in the past five years in China are used as cases to illustrate the point Students and scholars who are interested in political science and political communication especially Chinese politics would find this title a useful reference
