Johnson,2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ s work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth s integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement     **In Your Eyes I See My Words** Pope Francis,2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio s writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio s homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio s friend the Uruguayan philosopher Methol Ferr the literary figure Miguel ngel Asturias and Enrique Santos Disc polo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God s people that seeks to spread God s merciful anointing to those living on the margins of life
