The Dodgers:

The Dodgers Glenn Stout,2004 In the annals of baseball the history of few other teams can compare to the rich legacy of the Dodgers Stout provides their definitive story from their birth in Brooklyn in 1884 to their move to Los Angeles to present day

The Dodgers John Durant,1948 **The Dodgers Encyclopedia** William McNeil,2000-09-25 The Dodgers Encyclopedia is the definitive book on Los Angeles and Brooklyn Dodgers baseball It traces the history of one of Major League Baseball s most successful organizations from the misty beginnings of its predecessors in rural Brooklyn more than 140 years ago through their formative years in the major leagues as a member of the American Association from 1884 through 1889 to a full fledged representative of the National League since 1890 It covers the exciting and often many years in Brooklyn through 1957 as well as a long and successful sojourn in Southern California during the last half of the 20th century

The Dodgers Move West Neil Sullivan,1989-06-08 For many New Yorkers the removal of the Brooklyn Dodgers perhaps the most popular baseball team of all time to Los Angeles in 1957 remains one of the most traumatic events since World War II Sullivan s controversial reassessment of this event shifts responsibility for the move onto the local governmental maneuverings that occurred on both sides of the continent Set against a backdrop of sporting passion and rivalry and appearing over thirty years after the Dodgers last season in Brooklyn this engrossing book offers new insights into the power struggle existing in the nation s two largest cities

The Los Angeles Dodgers Bill Shannon,Dick Lally,1991 An overview of the Los Angeles Dodgers baseball team discussing its players history last season great moments records and prospects

Time Briton Hadden, Henry R. Luce, 1955 [How to Beat a Broken Game](#) Pedro Moura, 2022-03-29 The inside story of how the Dodgers won their first championship in more than thirty years but helped cripple the sport of baseball in the process After years of frustrating playoff runs the Los Angeles Dodgers finally reclaimed the World Series trophy after more than thirty years led by star pitcher Clayton Kershaw electric outfielder Mookie Betts and a bevy of impressive young players assembled by team president Andrew Friedman No team is better positioned to win now and in the future Yet winning at modern baseball is nothing like it was even twenty years ago In the years since the famous Moneyball revolution baseball has grown to look less like a sport than a Wall Street firm that traded its boiler room for a field Teams relentlessly chase every tiny advantage to win games and make money even as it hurts fans TV ratings and players courting bigger problems in the long run This dramatic and insightful book takes you into the clubhouse with the championship players as well as into the offices where teams constantly seek new ways to win even when it hurts the game How to Beat a Broken Game shows not only what it takes to win but what it will take to save the sport
