The German Revolution:

The German Revolution, 1918-1919 A. J. Ryder, 1959 [The German Revolution, 1918-1919](#) Ralph Haswell Lutz, 1922

The German Revolution, 1918-1919 Ralph Haswell Lutz, 1922 *November 1918* Robert Gerwarth, 2020 The story of an epochal event in German history but also the story of the most important revolution that you might never have heard of

Failure of a Revolution: Germany 1918-1919 Sebastian Haffner, 2019-08-16 The masterfully told story of what happened in Germany following its defeat in the first world war the Kaiser's exit from the stage the sailors' mutiny the spreading of the revolution and its betrayal by its own chosen socialist leaders Haffner recounts the murder of Karl Liebknecht and of Rosa Luxemburg and the deliberate creation of those relentless counter-revolutionary forces that became the nightmare of the Third Reich More than a brilliant historical study it has vital lessons for our own day Haffner's history of the revolution is unrivalled tight precise passionately rational brilliantly formulated Profil Wien No one else has described and analysed the events of 1918-19 that were decisive for the century as well and as convincingly as Sebastian Haffner Tagespiegel For Haffner the revolution was a social democratic revolution That it was nevertheless ultimately suppressed bloodily by social democratic politicians confirms Haffner's suspicion that this was a case of betrayal Norddeutscher Rundfunk North German Radio Haffner's book is one of the few that breaks open previously locked doors and shines a light on dark corners of our past K Iner Stadt Anzeiger Sebastian Haffner's brilliant intellect clarifies contrasts and similarities in situations motivations and deeds and describes lucidly and dramatically the main lines of the complex developments from September 1918 to January 1919 Dieter Wunderlich Those who know Haffner's method of making the writing of history an inspection of the past motivated by the present will appreciate this book zitty Berlin *And the Kaiser Abdicates* Stephen Miles Bouton, 1921

The German Revolution, 1918-1919 (Classic Reprint) Ralph Haswell Lutz, 2018-05-04 Excerpt from *The German Revolution 1918-1919* The German revolutionary movement Of 1918 and 1919 not only destroyed the Bismarckian Empire but fundamentally altered the life and institutions Of the German people Although it has as yet received little attention from historians a knowledge Of the revolution is essential to an understanding of contemporary Germany and Of those economic and political problems resulting from the defeat Of the German Empire in the World War This monograph is a study of the origins events tendencies and results of the German Revolution based upon personal Observations and an examination Of the documentary and other printed materials available AS a member Of the American Military Mission in Berlin under the command of General George H Harries from March to August 1919 the author had Opportunities to Observe the revolutionary struggles in the capital as well as in the several states About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The German Revolution of 1918 Ralph H. Lutz, The German Revolution of 1918 A. J. Ryder, 1967 Dr Ryder begins this full scale treatment of the German Revolution by summarizing the origins and development of German Social Democracy up to the party's historic vote for war credits on 4 August 1914 He then considers the socialists attitudes to the war notably in relation to the controversial question of annexations and traces the growth of a threefold split inside the socialist party

The German Revolution, 1918-1919 Ralph Haswell Lutz, 2012 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The German Revolution, 1917-1923 Pierre Broué, 2005 This volume provides an English translation of Broué's *La révolution en Allemagne* complete with an updated Bibliography and a new Introduction

A People's History of the German Revolution William Pelz, 2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In *A People's History of the German Revolution* William A Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country's natural progression into a republic Going beyond the familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society

German Revolution: 1918-1919 Ralph Lutz, 2026-01-11

The German Revolution of 1848 Bernard Roelker, 1847

Debates on the German Revolution of 1918-19 Matthew Stibbe, 2023-05-23 In November 1918 a revolution overthrew the old imperial system in Germany and inaugurated a republic The revolution was formally completed in August 1919 when the social democrat Friedrich Ebert was sworn in as president By this time however many of the revolution's original aims and intentions had been swallowed up by new political concerns and lived experiences For contemporaries the meaning of 9 November changed becoming increasingly contested between rival parties military experts and scholars This book examines how the debate on the revolution has evolved from August 1919 to the present day It takes the reader through the ideological battles of the

1920s and 30s into the equally politicised historical writing of the cold war period It ends with a consideration of the marginalisation of the revolution in academic research since the 1980s and its revival from 2010 [Eduard Bernstein on the German Revolution](#) Marius S. Ostrowski,2019-11-01 This book presents two major texts and selected shorter writings by the social democratic thinker and politician Eduard Bernstein translated into English in full for the first time The German Revolution A History of the Emergence and First Working Period of the German Republic How A Revolution Perished and articles from Vorwärts and other socialist periodicals Written in the aftermath of the 1918 German Revolution and the end of WWI they address the overthrow of autocratic rule in Germany and provide a live chronicle and retrospective assessment of the Weimar Republic's foundation Bernstein gives a detailed chronology of the German Revolution and its intellectual economic and political context and offers a historical analogy in his account of the 1848 French Revolution which differs in key respects from that of Karl Marx in The Eighteenth Brumaire of Louis Napoleon Drawing on his own experience of the events he describes he revisits the socialist debate over reform or revolution that he himself had provoked at the turn of the 20th century and consciously seeks to wrest ownership of the Revolution's legacy away from the Spartacist and communist left In these works Bernstein exhorts social democrats to rally behind the nascent Republic and resist the siren calls of its militant opponents on radical left and right and he engages with themes of party unity political violence democracy and the role of ideology that have echoed through left theory and strategy ever since *Living the German Revolution, 1918-19* Christopher Dillon, Kim Wünschmann,2024-01-26 The German Revolution of 1918-19 marks a historical turning point at which following the catastrophe of the Great War soldiers and civilians rose up to overthrow the German Empire's political and military leadership The prospect of radical change evoked diverse hopes and fears in Germans young and old female and male rural and urban Catholic Protestant and Jewish The essays in this volume which are all based on fresh archival research analyse their various expectations experiences and responses towards the revolution Whereas much of the existing scholarship concentrates on the high politics and institutional contests of the revolution these essays are concerned with revolutionary culture and subjectivities They seek to historicize the revolution not so much from above or from below but from within as a lived and open ended civic experiment This volume's cast of protagonists encompasses sailors mobilizing in north German naval bases women storming town halls in provincial Bavaria youngsters pounding Hamburg dance floors on wintry evenings factory workers savouring the new eight hour day publishers grappling with shifting readerships theologians debating constitutional arrangements and journalists writing to make sense of a world seemingly turned upside down The essays explore how the German Revolution unleashed the political imagination of a newly empowered citizenry Their collective contention is that this socio cultural approach best registers the revolution's popular mobilization and societal penetration its destruction of inherited patterns of authority and ultimately its complex and contested legacy for the Weimar republican project *The German Revolution, 1918-1919* Henry Egon Friedlander,1968 **Working-Class**

Politics in the German Revolution Ralf Hoffrogge, 2014-09-11 Richard M ller a leading figure of the German Revolution in 1918 is unknown today As the operator and unionist who represented Berlin s metalworkers he was main organiser of the Revolutionary Stewards a clandestine network that organised a series of mass strikes between 1916 and 1918 With strong support in the factories the Revolutionary Stewards were the driving force of the Revolution By telling M ller s story this study gives a very different account of the revolutionary birth of the Weimar Republic Using new archival sources and abandoning the traditional focus on the history of political parties Ralf Hoffrogge zooms in on working class politics on the shop floor and its contribution to social change First published in German by Karl Dietz Verlag as Richard M ller Der Mann hinter der November Revolution Berlin 2008 this english edition was completely revised for the english speaking audience and contains new sources and recent literature GERMAN REVOLUTION 1918-1919 Ralph Haswell 1886-1968 Lutz, 2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The German Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download The German Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The German Revolution has opened up a world of possibilities. Downloading The German Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The German Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The German Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The German Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The German Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The German Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
