**A Year of Fear** Bryan Senn,2015-03-26 This eclectic overview of horror cinema offers up a collection of horror films for practically any occasion and literally every day of the year For example the author recommends commemorating United Nations Day October 24 with a screening of *The Colossus of New York* whose startling climax takes place at the U N Building Each day by day entry includes the movie title production year plot summary and critique along with a brief explanation of how the film fits into the history of that particular day and interesting anecdotes on the film s production "Twice the Thrills! Twice the Chills!" Bryan Senn,2019-02-28 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as *Invasion of the Body Snatchers* *Horror of Dracula* and *The Fly* became bona fide classics Beginning with Universal International s 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra* 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes production details historical notes and critical commentary for each film
