

An aerial photograph of a beach at sunset or sunrise. The sand is a warm golden-brown color, and the ocean waves are white and foamy as they crash onto the shore. The sky is a mix of orange, yellow, and blue. The overall mood is serene and contemplative.

While You're Waiting Regina Theisen, 2021-11-24 While we wait we often feel stuck or even as if we're suffocating This study is designed to guide you to the realization that you have so much potential while you're waiting When we're waiting we have the opportunity to prepare a new idea nurture a concept into maturity develop a relationship that has been set aside Waiting does not mean sitting and doing nothing Waiting is a very thoughtful energized time to prepare for the next step If you've ever waited which I know you have this study is for you The irony of the title of this study is how long I had to wait to even submit it to the world A lesson in itself As I waited for my atheist past gang member husband to become a believer a relationship with my stepmother to be one full of respect and love and most importantly for the timing to share some of my waiting with you so much more happened You will have opportunities to dive into scripture

reflect on your past and even prayerfully consider your future You can do this study with a group with a friend or even by yourself As you journey through the scriptures and learn more about your relationship with Jesus and those around you I hope that you re waiting becomes filled with more joy than sorrow and more focus than fog and more growth than death Thank you for taking a chance on me thank you for allowing me to be a part of your journey thank you for making your waiting worthwhile
