Sister Dearest:

The Institute, 1858 **Sister Dearest**, *The Princess of Convenient Plot Devices, Vol. 1 (light novel)*
Mamecyoro, 2022-12-13 A fujoshi would normally jump at the chance to live in a BL world and it seems like Maki Tazawa has hit the jackpot after being reincarnated into her favorite novel *The Noble King*. The privileged life of Princess Octavia and ample opportunity to witness BL in 3D might sound perfect but all this comes at a cost. As much as she adores her OTP the main character Sil and his lover Prince Sirius she draws the line at being used to solve the problem of producing a royal heir. After all doesn't she deserve true love and a happily ever after of her own? This princess is on a mission to find a match and change her fate while she's still got time.

Strawman Returneth! Lt. Colonel Jefferson Azgard Davis, 2022-05-27 In the year 1900 Colonel Cavendish and his allies came upon a powerful voodoo king from Haiti with strange origins. They called him Strawman due to his evil transformation into a monstrous huge Voodoo doll. They were not able to kill this evil entity since they could not find and destroy the source of its invincibility. Its captors could only restrain it hoping it would never be set free. Strawman once trapped was frozen in the basement of White Hall Manor in Jamaica in a large metal box. Seventy five years later the monster escapes. It is 1975 and James Ambrose Sullivan great grandson of Colonel Cavendish has become custodian of the family secrets including Strawman's dangerous legacy. Now Strawman sets out on an insane revenge quest is on the man who captured him. Once the monster realizes the year his immediate quest is to destroy the seed and everything related to the Cavendish family. He travels to St Louis Missouri to fulfill his gruesome revenge. The vile creature returns but who will stop him this time.

Lost Priscilla Audette, 2018-02-21 After suffering a blow to the head that robs her of herself the aptly named Faith struggles against almost insurmountable odds to reclaim herself and her life as she knew it. First a disclaimer although the protagonist in this novel suffers an injury *Lost* is not a medical or health book. Rather it is a testimony to the resilience of the human spirit that can rise like the proverbial phoenix after suffering a nearly lethal trauma. Faith is a character who finds herself in a situation that will be identifiable to many readers. Who hasn't known someone who has suffered a concussion or worse. To find oneself lost in the labyrinth of the mind because the brain has been injured is taking the hero's journey to a new and challenging level. The hero's journey resonates in all our psyches and that is why stories like *The Wizard of Oz* or *Star Wars* grab at us on a visceral level. Faith's Call to Adventure is a car accident. She doesn't have the choice of refusal instead she is sucked into a new and scary world when life as she knows it disappears. She finds mentors is tested and ultimately fights her way back not to her old self but evolves into someone who has gained knowledge and is better for it. To come to know Faith is to become her cheerleader. Readers will keep reading not only because the writing is compelling but because they want her to succeed. On some level her successes will be their successes no matter what different and challenging paths their own lives follow. Just like Faith we all deal with the trials and tribulations life tosses our way and we are usually better for the experiences. Faith is every woman. *Seismic Influences* Sylvia. What an insightful view.
