Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin      The Noir Thriller Lee

Horsley, 2016-01-03 What is literary noir How do British and American noir thrillers relate to their historical contexts In considering such questions this study ranges over hundreds of novels analysing the politics and poetics of noir from the hard boiled fiction of Hammett Chandler and Cain to the exciting diversity of nineties thrillers with sections on the tough investigators gangsters and victims of the Depression years the first person killers femmes fatales and black protagonists of mid century the game players voyeurs and consumers of contemporary thrillers and future noir      **Hardboiled** Bill Pronzini, Jack Adrian, 1997-05-29 What are the ingredients of a hard boiled detective story Savagery style sophistication sleuthing and sex said Ellery Queen Often a desperate blond a jealous husband and of course a tough but tender P I the likes of Sam Spade or Philip Marlowe Perhaps Raymond Chandler summed it up best in his description of Dashiell Hammett s style Hammett gave murder back to the kind of people that commit it He put these people down on paper as they were and he made them talk and think in the language they customarily used for these purposes Hard Boiled An Anthology of American Crime Stories is the largest and most comprehensive collection of its kind with over half of the stories never published before in book form Included are thirty six sublimely suspenseful stories that chronicle the evolution of this quintessentially American art form from its earliest beginnings during the Golden Age of the legendary pulp magazine Black Mask in the 1920s to the arrival of the tough digest Manhunt in the 1950s and finally leading up to present day hard boiled stories by

such writers as James Ellroy Here are eight decades worth of the best writing about betrayal murder and mayhem from Hammett s 1925 tour de force *The Scorched Face* in which the disappearance of two sisters leads Hammett s never named detective the Continental Op straight into a web of sexual blackmail amidst the West Coast elite to Ed Gorman s 1992 *The Long Silence* After a gripping and powerful rendezvous involving a middle class insurance executive a Chicago streetwalker and a loaded 38 Other delectable contributions include *Brush Fire* by James M Cain author of *The Postman Always Rings Twice* Raymond Chandler s *I ll Be Waiting* where for once the femme fatale is not blond but a redhead a Ross Macdonald mystery starring Macdonald s most famous creation the cryptic Lew Archer and *The Screen Test* of Mike Hammer by the one and only Micky Spillane The hard boiled cult has more in common with the legendary lawmen of the Wild West than with the gentleman and lady sleuths of traditional drawing room mysteries and this direct line of descent is on brilliant display in two of the most subtle and tautly written stories in the collection Elmore Leonard s 3 10 to Yuma and John D MacDonald s *Nor Iron Bars* Other contributors include Evan Hunter better known as Ed McBain Jim Thompson Helen Nielsen Margaret Maron Andrew Vachss Faye Kellerman and Lawrence Sanders Compellingly and compulsively readable *Hard Boiled: An Anthology of American Crime Stories* is a page turner no mystery lover will want to be without Containing many notable rarities it celebrates a genre that has profoundly shaped not only American literature and film but how we see our heroes and ourselves
