Committee on Merchant Marine and

The Draft:

The Draft Wil Mara, 2007-08-28 Set in the world of the NFL this novel chronicles the deals and desperation behind a high stakes draft The Draft provides intriguing insight into a process that can be as competitive as those that occur on the gridiron itself Marv Levy general manager of the Buffalo Bills

The Draft Pete Williams, 2006-03-07 An explosive look at the NFL Draft from the inside out that exposes the multilayered feeding frenzy that swarms around America's top college players The Draft follows a handful of NFL hopefuls through the ups and downs of the 2004 college football season and the pre-draft process culminating with the 2005 draft Among the prospects are Virginia defensive end Chris Canty who overcomes a devastating early season knee injury to reestablish himself as a top draft hopeful only to suffer a detached retina in a nightclub skirmish and Fred Gibson a talented but rail thin Georgia wide receiver who struggles to put on the weight needed to go over the middle in the NFL It's a complex environment with college coaches attempting to protect their student athletes from exploitation while fully aware that they can only remain competitive if they attract NFL caliber players to their schools along with sports agents and NFL scouts trying to stay a step ahead of their competition These parties provide a multi-angled view of the world of emerging NFL talent The reader follows the season through the eyes of a host of power players and scouts from veteran agent Pat Dye Jr to Jerry Maguire clone Jack Scharf to the coaching divisions of Florida State University and the University of Virginia headed by longtime Bill Parcells disciple Al Groh Also central to the narrative are the Atlanta Falcons and executives Rich McKay and Tim Ruskell now with Seattle who use a character based evaluation system to set their draft board These parallel stories weave together culminating in draft weekend to create a gripping and fascinating look at a world few see from the inside
