the third or fourth grade the teacher told her to write a poem The subject her own teddy bear George Her older cousin had  
kidnapped George from some girl and gave him to her George had no eyes and one ear was torn half off There s lots of wear  
and tear in teddy bear s life Marygrace loved George He was old and experienced in raising children Nevertheless George  
gave her years of joy He was faithful and the best secret keeper she has ever known When her dad moved their family to the  
West Coast George remained in New York with so many childhood memories She was seventeen Many would say that she  
was too old for a teddy bear In some ways that may have been true for the seasons of our lives change However when she  
looks back into her memories George is always there He keeps all those memories in a safe place where they remain  
unchanged by time To this day she has never seen a bear that looks like George Marygrace would never have guessed that  
her love of stuffed furry bears would bring her to write this poem for her dear granddaughter Together Hannah the Dancing  
Bear and Marygrace will have this happy warm and fuzzy memory to share through the years and they invite all other  
children to join them After you enjoy this poem you may want to make your own special memories with your own bear bunny
