The Deer Hunter:

The Deer Hunter The Deer Hunter,1978 The deer hunter E. M. Corder,1980 The Films of Robert DeNiro
Douglas Brode,2001 Film expert Douglas Brode offers a complete up to the minute examination of Robert De Niro s entire life and career including such memorable movies as Copland Cape Fear The Deer Hunter The Godfather Part II and Taxi Driver Color and b w illustrations *Rx for Deer Hunting Success* Peter J. Fiduccia,2016-04-05 This ground breaking book is loaded with new scientific research that will help you become a better deer hunter This comprehensive guide provides a compilation of in depth coverage on all methods used to hunt whitetail deer consistently and successfully Fiduccia s real world hunting strategies will benefit both the novice and the veteran deer hunter Each chapter is specifically designed to provide readers with enhanced skills through innovative tips as well as strategies to help take their deer hunting success to the next level Many of the chapters include information rarely seen in print before Fiduccia shares his five decades of whitetail hunting wisdom and experience in a manner that is easy to understand and apply His tactics combine time tested hunting strategies with the most up to date scientific research on white tailed deer Anyone who reads *The Deer Doctor s Rx to Whitetail Hunting Success* will gain the edge in becoming a more effective deer hunter Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home *"The Deer Hunter"* Sarah Kölzer,2009-09-22 Seminar paper from the year 2005 in the subject English Language and Literature Studies Culture and Applied Geography grade 2 0 Johannes Gutenberg University Mainz Department of English and Linguistics course Framing the Enemy Political Typology in American Cinema from the 1950s to the Present language English abstract The movie *The Deer Hunter* was released in 1978 three years after the end of the Vietnam War During the war the American public had received censored information by the mass media concerning the war The American sense of mission and patriotism hovered above and disguised uncomfortable topics such as the cruelties inflicted on Vietnamese civilians by GIs or less palatable the justifications for the U S intervention in the war It therefore left no space for any respect towards the Vietnamese as an individual being part of an ethnic group with its own culture Although stereotypes about the Vietnamese are adopted and developed in *The Deer Hunter* so much so that even critics stood up for the former enemy and condemned the depiction as racist the enemy is not unlike in several other movies produced at that time simply an excuse for demonizing particularly the Vietnamese it serves as a rather symbolical threat to a community of war buddies and could be replaced by any other enemy In this paper I will argue that

labeling *The Deer Hunter* as racist is misconceived since the adoption of the Vietnamese as an enemy image has to be reduced to the threat itself. The first two chapters will explain how the attitude of the American public towards the Vietnamese as their enemy was shaped and why the issue of Vietnam became a central to the plot. This will show that the emphasis is laid on something else: human relationships within the group and not as it at first seems to be on the enemy itself. Therefore I will explore the significance of community in this particular case and compare the relationships within the group before, during and after the war. It will become clear that the original hierarchy of the group dissolves when the group is threatened. The group's war experiences lead further to an inability to take part in the social life at home. Since the original group is shattered, the new group is challenged to refer to the former bonds that have always kept them together in order to establish a new identity. Ironically, this new identity is based on the patriotic phrase "God bless America".

Cimino Charles Elton, 2022-03-29. The revelatory *The New Yorker* first biography of critically acclaimed then critically derided filmmaker Michael Cimino and a reevaluation of the infamous film that destroyed his career. The director Michael Cimino (1939-2016) is famous for two films: the intense, powerful and enduring Vietnam movie *The Deer Hunter* which won Best Picture at the Academy Awards in 1979 and also won Cimino Best Director and *Heaven's Gate*, the most notorious bomb of all time. Originally budgeted at 11 million, Cimino's sprawling western went off the rails in Montana. The picture grew longer and longer and the budget ballooned to over 40 million. When it was finally released, *Heaven's Gate* failed so completely with reviewers and at the box office that it put legendary studio United Artists out of business and marked the end of Hollywood's auteur era. Or so the conventional wisdom goes. Noted television producer and author Charles Elton delves deeply into the making and aftermath of the movie and presents a surprisingly different view to that of Steven Bach, one of the executives responsible for *Heaven's Gate* who wrote a scathing book about the film and solidified the widely held view that Cimino wounded the movie industry beyond repair. Elton's *Cimino* is a richly detailed biography that offers a revisionist history of a lightning rod filmmaker. Based on extensive interviews with Cimino's peers and collaborators and enemies and friends, most of whom have never spoken before, it unravels the enigmas and falsehoods many perpetrated by the director himself which surround his life and sheds new light on his extraordinary career. This is a story of the making of art, the business of Hollywood and the costs of ambition, both financial and personal.
