Hindoo and Oriental Methods Swami BHAKTA VISHITA (pseud),1915 *The Development of Seership* Bhakta Vishita,1915 The Science Of Knowing The Future Swami Bhakta Vishita,William Walker Atkinson,2020-09-02 Bits of the glittering truths of Seership have sifted through different minds from time to time the author chose on his words to bring together the scattered fragments and to unite them in a harmonious whole The subject is handled as a practical Science and is stripped of all the mystery which has been purposely thrown around it by the pseudo seers charlatans and rank imposters that abound in every country and have brought discredit to the science These teachings are more valuable to mankind than gold yet they are given freely The veil which has been closed for centuries is drawn aside and complete instructions are given to the sincere student who is ready to become a seer If you are wise you will profit by these teachings As you advance a new world of existence will be opened to you *The Mysteries of initiation* Rudolf Steiner,2021-10-14 In a concise study Rudolf Steiner presents an inspirational sketch of the evolution of the Mysteries from ancient Persia through Egypt and Greece to the Christian era and the present day He traces the line of initiates from Egyptian divinities Isis and Osiris to Moses King Arthur s Round Table and the Holy Grail in the twelfth century Steiner focuses on the process of initiation as a historical topic how initiation worked in ancient Egypt and in the late Middle Ages But his presentation is also inspirational leading to the question How can we advance to initiation now He underscores

the potential for achieving enlightenment today without a teacher in the flesh and explains the four stages of the process towards initiation He also highlights the need for strenuous efforts to overcome the subtle power of evil in the form of Lucifer and Ahriman through selfless work The four lectures collected here form an important landmark in Rudolf Steiner's biography the first being delivered on 3 February 1913 the very day that the Anthroposophical Society was founded First published in English under the title *The Mysteries of the East and of Christianity* and unavailable for many years this edition has been re edited by Professor Frederick Amrine and features appendices an index as well as an introduction by Robert McDermott

Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries, 1927

Mysteries of the East and of Christianity Rudolf Steiner, 1989-02-15 Steiner gives a sketch of the evolution of the Mysteries from ancient Persia through Egypt and Greece to the Christian era and the present day with the modern initiation of the Holy Grail

LECTURE SYNOPSES Lecture 1 February 3 1913 Everything belonging to the mysteries is based on the experiences of initiates in the higher worlds The principles of initiation change in the successive epochs Attainment of initiation today is possible without personal guidance but one's experiences must be carried through correctly Sensory impressions become a means of experiencing what lies behind them Opinions and views must be transcended Some experiences are common to all mysteries whether of the East or the West Contact with death passage through the elemental world seeing the Sun at midnight meeting with the higher and lower gods The path into higher worlds is connected with strengthening of the soul's inner forces

Lecture 2 February 4 1913 Natural and moral laws mingle in the spiritual world Morally irresponsible souls must serve terrible beings after death Untimely deaths epidemics and illnesses are caused by spiritual forces and beings After death souls subject to laziness become the servants of the adversarial gods led by Ahriman Certain characteristics are suitable or unsuitable for the development of clairvoyance A seer has direct perception of the interaction of influences from the Earth and those from cosmic space Experience at a definite stage of the mysteries is that in respect of the higher members of his being astral body and I man belongs not only to the Earth but is also at home in the cosmos

Lecture 3 February 5 1913 Ascent into the spiritual worlds is accompanied through certain necessary experiences Possibility of a retrospect into the far past and reading the akashic record In the higher worlds a clairvoyant can discern the activities of beings associated with the Sun and the Moon in engendering human physical and etheric bodies How the astral

body and I are brought into being is veiled in secrecy Steiner discusses the Zarathustra initiation the Hermetic initiation and two phases of the Isis initiation separated by the time of Moses When Moses led his people out of Egypt he took with him the part of the Egyptian initiation that added the Osiris initiation to that of the mourning Isis Steiner discusses the Sons of the Widow In the later Egyptian initiation the candidate experienced the dying of a god in the heavens in order to descend into another world Lecture 4 February 7 1913 The being formerly known spiritually as the Creative Word first manifested physically when Moses heard the Ejeher Ejeher Candidates in the later Egyptian mysteries felt that the Creative Word was disappearing When it reappeared belonging now to earthly evolution it became known as the Holy Grail Every epoch repeats the earlier experiences of humanity Secrets of the Egyptian Chaldean epoch were related to the influx forces of the zodiac and planets especially those of the Sun and Moon In the fifth epoch those secrets must work right into the consciousness soul or human personality Inspirations from the twelve directions of the zodiac flowed into the twelve knights of King Arthur's round table All that is dead and withdrawn from the sovereignty of the soul must be enlivened again through the new wisdom of the Grail Teaching is now no longer connected with particular localities Dual nature in Goethe and in many men of the modern age is still under the influence of the intellectual soul Parsifal the ideal of later initiation Modern mysteries are an aftereffect of the Grail mystery The Amfortas nature in human beings must be recognized before the forces of Parsifal can be developed in human nature
