## **The Devils Triangle:**

*The Devil's Triangle* Frances M. Boyle,2001     *The Devil's Triangle* Richard Winer,1977     *The Devil's Triangle* Mark Robson,2011-03-31 The Bermuda Triangle has cast a shadow over Sam and Niamh Cutler's lives since their mother vanished nine years ago. Her whereabouts remains a mystery and every year they return to the Florida Keys with their father Matt who is obsessed with solving the haunting puzzle. But Sam is bored with lazing around by the pool while his father hunts for the truth. Craving excitement, he and his friend Callum borrow Matt's boat. At first it's great fun but when they find themselves marooned in a terrifying land, the boys realise they too have fallen victim to the Triangle's mysterious effects. Can they find a way home or will they be lost forever.

*The Mystery of the Bermuda Triangle* Damien Rollins,2013-05-23 The Bermuda Triangle. The Devil's Triangle. Call it what you will but this area off the coast of the southwestern United States has stirred people's imaginations for hundreds of years. You won't find it on any official maps which hasn't actually stopped cartographers from adding it in anyway. As far as the U.S. Board of Geographic Names is concerned, it doesn't even exist. They do not recognize it nor do they admit to maintaining any official file on it. However, as fans of the unexplained will insist, the Bermuda Triangle is very real. It is so named because of its proximity to the island of Bermuda which forms one of its apexes. The others are roughly located in Florida and Puerto Rico and together they cover an area of approximately 500,000 square miles. That's a lot of area for craft to get lost in.

*The Devil's Triangle* Catherine Coulter, J.T. Ellison,2017-08-29 Nicholas Drummond and his partner Mike Caine are threatened when the Fox calls from Venice asking for help. She warns Nick and Mike that a devastating Gobi desert sandstorm that's killed thousands in Beijing isn't a natural phenomenon but was produced by man. The Covert Eyes team heads to Venice, Italy to find out the truth before an obsessed family devastates Washington DC. Back cover.

*Conquering the Devil's Triangle* C. W. Leigh,2006-06-01 While enjoying a picture perfect day fishing off the coast of Florida, four friends unknowingly drive their boat into the Bermuda Triangle. Once inside, their lives will change forever as they are abruptly transported into a different dimension. Here in this place and time, the Devil is in control and the only people to be found are those who have been lost in the triangle. He uses people's worst fears and problems to destroy their souls and their faith in Jesus. People who are trapped in the Triangle are either destroyed or give in to the evil and follow a dark path. It will be no different for these men. Through all the trials and tribulations, these men will encounter; their faith and lives will hang in the balance. Only their faith in God will allow them to conquer the Devil's triangle.

**Secrets of the Devil's Triangle** Earl Walton Thomas,1999 Carlos and P.J. go to Bermuda for the summer where they try to find out why so many ships and planes vanish in the mysterious Devil's Triangle but trouble follows them every step of the way.

*The Devil's Triangle: Eye of the Storm* Mark Robson,2012-02-02 Sam and Callum are still stranded in the parallel world having been pulled across by the dangerous energy of the Bermuda Triangle. Now they've found Sam's mum, they are desperate to find a way home at any cost. Meanwhile, Niamh is convinced that her brother is alive and not dead as the

authorities suspect but she needs to find out what really happened to the boys before her father is convicted of their murder

Year's Eve when she notices an unopened Christmas present amongst the pile beneath her window. She tears the wrapping paper off to find it contains a book called *The World from Your Bedroom: There and Back Again*. But when she opens it up and begins to read, she is disappointed to see it is nothing more than a travel book packed with pages detailing hundreds of places across the world. She reads the first page then puts the book down just as sleep claims her at the instant that the New Year arrives. She awakes to find that instead of being in her bedroom at home in Skipton, somehow she has been transported to Ireland, the location that she had just read about in the book. There follow a series of adventures, each set in a different location, as Sadie finds herself travelling across the globe as she attempts to get back home again. This month's journeys see her visiting the islands off the American coast and commencing her travels into South America.
