

The Doctors Daughters

**Charles BRUCE (Author of “The Story
of a Moss Rose.”.)**

The Doctors Daughters:

The Doctor's Daughter Sophie May, 1871 This first novel in the author's Quinnebasset Girls series set in Quinnebasset Maine follows the trials and tribulations of high spirited Marian the titular doctor's daughter and her more melancholy friend Judith

The Doctor's Daughter Hilma Wolitzer, 2007-12-18 In her first work of fiction in more than a decade award winning novelist Hilma Wolitzer brilliantly renders the intimate details of ordinary life and exposes a host of hidden truths The Doctor's Daughter is a haunting portrait of a woman coming to terms with her family history and the fallibility of memory One morning Alice Brill awakes with a sudden awareness that something is wrong There's a hollowness in her chest and a sensation of dread that she can't identify or shake Was it something she's done or forgotten to do As she scours her mind for the source of her unease she confronts an array of disturbing possibilities First there is her marriage a once vibrant relationship that now languishes stasis Then there's her idle misdirected younger son who always needs bailing out of some difficulty Or perhaps Alice's trepidation is caused by the loss of her career as an editor at a large publishing house and the new path she's paved for herself as a freelance book doctor Or it might be the real doctor in her life her father Formerly one of New York's top surgeons he now rests in a nursing home his mind gripped by dementia And the Eden that was Alice's childhood the material benefits and reflected glory of being a successful doctor's daughter the romance of her parents famously perfect marriage makes her own domestic life seem fatally flawed While struggling to find the root of her restlessness Alice is buoyed by her discovery of a talented new writer a man who works by day as a machinist in Michigan Soon their interactions and feelings intensify and Alice realizes that the mystery she's been trying to solve lies not in the present as she had assumed but in the past and in the secrets of a marriage that was never as perfect as it appeared Like the best works of Anne Tyler Sue Miller and Gail Godwin The Doctor's Daughter is private yet universal luminous and revelatory and marks the reemergence of a singular talent in American writing

The Doctor's Daughter Disha Mangal, The story of the pandemic narrated by a doctor's daughter For the common people the pandemic meant being locked in their rooms houseful homes family time and news getting worse but for a family of doctors it was totally different From knowing scary stories from the inside of the hospitals to the risk of getting exposed to the virus from prayers to no family time from being denied proper weapons for the war to staying compassionate The pandemic surely hit the families of the Corona Warriors in a different manner Illustrating the same is the narrative of a child from a family of warriors
