Ballou,2018-01-18 Global economic meltdown Widespread natural disaster Disease pandemic It doesn't matter the cause In

the coming Dark Age the delicate supply infrastructures of modern society will collapse and you will no longer have access to

groceries gasoline or guns The time to assemble your arsenal is now says author Jim Ballou and here he guides you through

the many crucial factors you must consider when selecting firearms for a post apocalyptic future Some of the topics he

covers include What are the five basic questions you must ask yourself when selecting any handgun rifle or shotgun for the

apocalypse How can you squeeze surprisingly useful life saving service from older or low value firearms What vital support

gear must you have when you are forced to become your own gun shop Which types of ammunition will not only serve your

survival needs but also be available in quantity when ordinary sources run dry What roles can multi caliber guns backup guns

and alternative weapons to conventional firearms play in your survival plans What practical modifications can you make to

your guns to make them more suitable for post apocalypse survival Given how critical weapons will become in an age when

you may have to hunt for meat or defend yourself against numerous post apocalyptic threats the more you must force

yourself to consider all the pertinent factors now while you still can Because when the world starts to crumble you won't have

time to select firearms that's when you lock and load *Producing iOS 6 Apps* UnknownCom Inc.,2012 Effectively several
