## **The Ghost Talks:**

1929 Andrew Ross Sorkin, 2025-10-14 1 NEW YORK TIMES BESTSELLER It is one of the best narrative histories I've read The Wall Street Journal A New York Times Notable Book of 2025 One of Barack Obama's Favorite Books of 2025 Named a BEST BOOK OF 2025 by The Washington Post TIME The Economist Air Mail Bloomberg Fast Company Katie Couric Media and History From the bestselling author of Too Big to Fail the definitive history of the 2008 banking crisis The Atlantic comes a riveting narrative of the most infamous stock market crash in history one with ripple effects that still shape our society today In 1929 the world watched in shock as the unstoppable Wall Street bull market went into a freefall wiping out fortunes and igniting a depression that would reshape a generation But behind the flashing ticker tapes and panicked traders another drama unfolded one of visionaries and fraudsters titans and dreamers euphoria and ruin With unparalleled access to historical records and newly uncovered documents New York Times bestselling author Andrew Ross Sorkin takes readers inside the chaos of the crash behind the scenes of a raging battle between Wall Street and Washington and the larger than life characters whose ambition and naiveté in an endless boom led to disaster The dizzying highs and brutal lows of this era eerily mirror today's world where markets soar political tensions mount and the fight over financial influence plays out once again This is not just a story about money 1929 is a tale of power psychology and the seductive illusion that this time is different It's about disregarded alarm bells financiers who fell from grace and skeptics who saw the crash coming only to be dismissed until it was too late Hailed as a landmark book Too Big to Fail reimagined how financial crises are told Now with 1929 Sorkin delivers an immersive electrifying account of the most pivotal market collapse of all time with lessons that remain as urgent as ever More than just a history 1929 is a crucial blueprint for understanding the cycles of speculation the forces that drive financial upheaval and the warning signs we ignore at our peril **Hairball** Lindsay Price, 2006 **Thrills Untapped** Michael R. Pitts, 2019-01-10 Giving deserved attention to nearly 150 neglected films this book covers early sound era features serials and documentaries with genre elements of horror science fiction and fantasy from major and minor studios and independents Full credits synopses critical analyses and contemporary reviews are provided for The Blue Light The Cat Creeps College Scandal Cosmic Voyage The Dragon Murder Case The Haunted Barn Lost Gods Murder in the Red Barn The New Gulliver Return of the Terror Seven Footprints to Satan S O S Iceberg While the Patient Slept The White Hell of Pitz Palu and many others *The ghost's revenge, and other stories* Robert Harborough Sherard, 1902 The National Party Chairmen and Committees Andrew Goldman, 2019-06-19 This study traces the history of the national committee chairmanships of the two major political parties in the United States emphasizing the national conventions and presidential campaigns where national factions often reveal themselves Candidate and ideological factionalism as the evidence of this volume demonstrates has been the principal engine of convention action Factional conflicts have had consequences not just for the political parties but for the party system itself The institutional history of the two national committees and their

chairmanships reveals a previously unrecorded aspect of United States national party development [Explanation by description](#) Fred D.
