Top Hybrid Work:

Digital Champion, The: Best Practices And Insights For The Successful Transformation Of Enterprises And Companies Marc Helmold, Ayse Kucuk Yilmaz, Tracy Dathe, 2024-10-08 Digital transformation AI and the use of human like machines are among the most important social and economic developments of our time In addition to applications and concepts of digitalization and artificial intelligence this book describes how companies can implement strategies to successfully transform a company into a digital champion In addition numerous practical examples in the areas of supply chain management production sustainability and education are presented

Reinventing Work Martin Reeves, Deborah Lovich, 2024-10-21 Organizations often declare that their biggest asset is their people As such business leaders make constant efforts to hire the best talent and to get the best out of their workers But a confluence of forces is reshaping all aspects of talent management A war for talent rages and will be exacerbated in the long term by demographic aging the half life of skills is decreasing as AI powers more parts of business workflows flexible and hybrid work models are becoming commonplace and management methods focused on measurement and efficiency are not sufficient for engaging a purpose seeking generation In these turbulent times CEOs and their entire teams not just HR need to rethink how they can create a people advantage going beyond traditional approaches to organization performance management and compensation This book a collection of recent essays written by researchers at the BCG Henderson Institute Boston Consulting Group's think tank aims to help leaders to reinvent work by providing a forward looking perspective on all aspects of talent management Across five chapters the book discusses How to attract the talent of the future How to shape the workforce in an evolving context How to embrace new models of work How to build the workplace of the future How to establish new models of leadership and culture By providing a combination of new ideas real world examples and concrete recommendations Reinventing Work serves as a guide for leaders to effectively navigate the changing nature of work

The Playbook for Leading Change Mike Valentine, Mitchell Kusy, 2025-12-19 Leaders continually receive multiple messages on how to lead successful organizational change Create buy in Model the way Connect strategies to the organization's vision Garner input Engage others in decisions Co design strategies The confusion created by these multiple messages has contributed to a high failure rate in change initiatives as organizations struggle with watered down approaches that offer generic solutions instead of tailored practical guidance This book is a compendium of simple easy to implement change strategies that work all in one source When working with organizations such as American Express Mayo Clinic Eaton Honeywell Target AT T US Bancorp Kraft Foods 3M Johnson Johnson Nabisco PepsiCo and The New York Times the authors have witnessed firsthand how leaders struggled with conflicting messages from various flavor of the month models The complexity of today's organizational environments especially post pandemic has only magnified this challenge Leaders seek clarity amid the noise and need strategies that are adaptable to their unique environments The Playbook for Leading Change provides simple concrete

strategies that with a little help from AI can be customized for immediate action so leaders can breathe a sigh of relief with more confidence When these strategies are implemented in manageable baby steps using five core change principles the probability of success improves significantly This book presents hard evidence in a nonacademic fashion by showing why these strategies work and how to engage them most effectively It helps leaders move beyond gut instinct which sometimes works but often fails and instead adopt evidence based approaches that can be applied with confidence With organizational environments becoming increasingly complex the need for clear reliable and practical solutions to change challenges is more compelling than ever Essentially the authors provide a precise and quick read that will lead to tactical strategies for leading organizational change They have taken the best of the best practices from their three contexts as leaders consultants and professors and merged them into a single straightforward book it offers one stop shopping for those who need practical guidance on navigating change The Playbook for Leading Change demystifies the process equipping leaders with tools and insights that cut through the confusion and enable them to lead change initiatives with greater success
