## **Sinister Pig:**

The Sinister Pig Tony Hillerman, 2003-05 The victim well dressed but stripped of identification is found at the edge of the vast Jicarilla Apache natural gas field just inside the jurisdiction of the Navajo Tribal Police facing Sergeant Jim Chee with a complex puzzle Why did the Washington office of the FBI snatch custody of this case from its local agents cover it with secrecy and call it a hunting accident What was the victim seeking among the maze of pipelines and pumping stations in America's largest gas field Was he investigating the embezzlement of billions of dollars from the Indian tribal royalty trust in the Department of the Interior On a level nearer to Chee's heart did the photographs Bernie Manuelito took on an exotic game ranch near the Mexican border reveal something connected with this crime Did Bernie once a member of Chee's squad but now a rookie Border Patrol Officer put herself in terrible danger Tony Hillerman leads his readers through another of his intricate plots to the solution of this crime with a cast of vivid characters a Washington political mogul and his more or less renegade pilot a customs official who bends the rules a Mexican smuggler with a conscience and finally Legendary Lieutenant Joe Leaphorn now retired who connects the lines on a dusty old map to find the answers and the Sinister Pig among the great scimitar horned oryx grazing on the historic Tuttle Ranch **BOOK JACKET Sinister Pig** Tony Hillerman, 2011-10-25

Sergeant Jim Chee of the Navajo Tribal Police is troubled by the nameless corpse discovered just inside his jurisdiction at the edge of the Jicarilla Apache natural gas field More troubling still is the FBI's insistence that the Bureau take over the case calling the unidentified victim's death a hunting accident But if a hunter was involved Chee knows the prey was intentionally human This belief is shared by the Legendary Lieutenant Joe Leaphorn who once again is pulled out of retirement by the possibility of serious wrongs being committed against the Navajo nation by the Washington bureaucracy Yet it is former policewoman Bernadette Manuelito recently relocated to the Border Patrol at the U S Mexico line who possibly holds the key to a fiendishly twisted conspiracy of greed lies and murder and whose only hope for survival now rests in the hands of friends too far away for comfort **Gumshoes** Mitzi M. Brunsdale, 2006-04-30

studies of teams in the United States and Finland over a time span of more than 10 years this book shows that teams are not a universal and ahistorical form of collaboration Teams are best understood in their specific activity contexts and embedded in historical development of work Today static teams are increasingly replaced by forms of fluid knotworking around runaway objects that require and generate new forms of expansive learning and distributed agency This book develops a set of conceptual tools for analysis and design of transformations in collaborative work and learning

*Developmental Work Research* Yrjö Engeström, 2005-01-01 Developmental work research is an innovative approach to the study and reshaping of work and learning It expands cultural historical activity theory by bringing it to the domains of work technology and organizations The world of work is in turmoil increasingly dominated by runaway objects generated by globalization and greed global markets are such massive objects out of control Yet it is the object that motivates work and generates visions of better future The use values of objects have not vanished although they are more difficult to grasp than perhaps ever before Developmental work research rediscovers and expands use values in runaway objects In workplace interventions it engages practitioners in expansive re forging of the objects of their work
