ancient Greece and Rome of which I proffer in this book These founders of the form were far more challenging individuals Socrates who drank Hemlock and died rather than concede his truth springs to mind Marcus Aurelius at the tender age of 12 adopted the rough dress and hardy lifestyle of the philosopher sleeping on the ground to toughen him Wealth and luxury were not so admired in the ancient world as they are these days The Greeks and Romans despised this aspect of their Persian counterparts in terms of the dress and cultural behaviours of Eastern kings Stoicism may encapsulate this commitment to raw life in philosophic form 280 pages or thereabouts depending upon the formatting of the ebook file Stoicism has been a highly influential philosophy over millennia The ancient Greeks and Romans brough it to its fruition via philosophers like Zeno Epictetus political figure and tutor Seneca the Younger soldier and statesman Cato the Elder and Roman emperor Marcus Aurelius Over hundreds of years in the ancient world Stoicism remained very influential at the highest levels of government and aristocratic life Golf is not a game for the unwary or those seeking a little light entertainment It is a pastime which becomes increasingly demanding if the golfer desires success in terms of getting around in the least number of strokes Golf courses are full of hazards and penalty areas The variables inherent within this sporting activity are vast like the size of the area it is played upon A Stoic sensibility is called for in no uncertain terms So why not learn from the best Marcus Aurelius With my ancient history help I hope to guide the reader toward a better grasp of Stoicism and how it can apply to your golf
