**Now We are At War** Dag Heward-Mills, 2025-08-27 Always remember that we are at war RESIST You cannot afford to be passive when your enemy is fighting you Don't just lie down and let the enemy walk all over you Resist the devil Fight back Acquire a reputation in the devil's camp as someone who resists attacks and invasions Your defence must be a fierce attack on the enemy In this amazingly energising book best selling author of Loyalty and Disloyalty and A Good General calls Christians to rise up and turn the tables on the enemy Make the devil regret ever calling you to battle Now we are at WAR

**Arabs and Muslims in the Media** Evelyn Alsultany, 2012-08-20 After 9/11 there was an increase in both the incidence of hate crimes and government policies that targeted Arabs and Muslims and the proliferation of sympathetic portrayals of Arabs and Muslims in the U.S. media Arabs and Muslims in the Media examines this paradox and investigates the increase of sympathetic images of the enemy during the War on Terror Evelyn Alsultany explains that a new standard in racial and cultural representations emerged out of the multicultural movement of the 1990s that involves balancing a negative representation with a positive one what she refers to as simplified complex representations This has meant that if the storyline of a TV drama or film represents an Arab or Muslim as a terrorist then the storyline also includes a positive representation of an Arab Muslim Arab American or Muslim American to offset the potential stereotype Analyzing how TV dramas such as The Practice 24 Law and Order NYPD Blue and Sleeper Cell news reporting and non profit advertising have represented Arabs Muslims Arab Americans and Muslim Americans during the War on Terror this book demonstrates how more diverse representations do not in themselves solve the problem of racial stereotyping and how even seemingly positive images can produce meanings that can justify exclusion and inequality

**Sleeper Cell** Kierra Dorsay, 2016-02-27 A sleeper cell is a person who remains a dormant member of a group while belonging to another group for undisclosed reasons Usually

the sleeper cell status is kept a secret A sleeper cell is a clandestine group of terrorists who work underground and come back to life suddenly to achieve the target set by their superiors A sleeper agent is a spy who is placed in a target country or organization not to undertake an immediate mission but rather to act as a potential asset if activated Sleeper agents are popular plot devices in fiction in particular espionage fiction and science fiction Sleeper agents who have been discovered have often been natives of the target country who moved elsewhere in early life and were co-opted perhaps for ideological or ethnic reasons before returning to the target country This is valuable to the sponsor as the sleeper's language and other skills can be those of a native and thus less likely to trigger suspicion One of the most insidious tactics at a terrorist organization's disposal is the implementation of a sleeper cell This consists of secret agents who receive specialized training in their home countries and are then assigned to assimilate into another country's culture and society These agents may spend years performing their regular duties while living deep undercover then suddenly receive orders from their overseas handlers to either commit an act of terrorism or provide aid to those who will

*Honor Jay Crownover, 2016-10-18* A ruthless underworld boss will do anything to claim the only woman he ever loved in the New York Times bestselling author's gritty romantic suspense Don't be fooled Don't make excuses for me I am not a good man I've seen things no one should do things I can never undo Honor and conscience have no place in my life But I've fought and I've survived I've had to The first time I saw her dancing on that seedy stage in that second rate club I felt my heart pulse for the first time Keelyn Foster was too young too vibrant for this place and I knew in an instant that I would make her mine But first I had to climb my way to the top I had to have something more to offer her I'm here now money is no object and I have no equal Except for her And now she's disappeared But don't worry I will find her and claim her She will be mine Like I said don't be fooled I am not the devil in disguise I'm the one standing front and center

**Representation of Middle Easterners in Contemporary North American TV Series** Matthias Köbrich, 2018-08-13 Master's Thesis from the year 2017 in the subject English Language and Literature Studies Culture and Applied Geography grade 1.5 Friedrich Alexander University Erlangen Nuremberg Institut für

Anglistik und Amerikanistik language English abstract TV shows have always been popular However fairly recently their quality and their budget have vastly increased Prestige TV which is frequently argued to have started with The Sopranos can be argued to have continued with The Wire Lost Breaking Bad Boardwalk Empire Game of Thrones House of Cards and Homeland After 9 11 an increase in TV shows focusing on terrorism was noticeable Many shows exhibited coping mechanisms built into their plots which can be related to the events on September 11 2001 Movies like the Rambo film series 1982 1988 Platoon 1986 Full Metal Jacket 1987 and Rocky IV 1985 can be argued to be cinematic attempts of coming to terms with the United States defeat in the Vietnam War as well as locking horns with Russia respectively In more recent movie history we can witness films such as Rules of Engagement 2000 Flightplan 2005 The Kingdom 2007 and the Transformers franchise 2007 2014 which can be interpreted as blowing off steam with regard to the US Army s seemingly endless engagement in the Middle East Not to forget the recent TV shows Quantico 2015 24 2001 2010 and Homeland 2011 which are excellent examples for Orientalist points of view terrorism threats and so called SHTF scenarios as well as homeland security issues These TV shows all seem to be cultural products that can be seen as direct answers to the terrorist attacks that day And just like the older examples of pop culture products these series and movies are also filled with coping behavior and processes The goal of this thesis is to look at the dichotomy between the East and the West the negative perception of the Middle East in the West as well as how negative images of the East are constructed but also countered in Western media In other words to see where or how Orientalist views are perpetuated and reinforced and where they are countered criticized and ridiculed Furthermore the intention of this thesis will be to scrutinize the underlying presumptions about the other and how these presumptions can be connected to Orientalism By exposing the negative images stereotypes and attempts of othering light will be shed on the above mentioned misrepresentations of Middle Easterners

of links to terrorism it held them as material witnesses not criminal suspects dodging key safeguards of the right to liberty At least one quarter of these men as U S citizens The misuse of the material witness statute is one of the government s more egregious post September 11 abuses yet the practice has received little attention As this report documents by using the material witness law the Justice Department circumvented the requirement of probable cause of criminal conduct before an arrest is made It also denied the witnesses other constitutional and human rights safeguards Based on more than seventy interviews with material witnesses their families and counsel and a comprehensive review of material witness records this report documents the toll the arrests and detentions have had on post September 11 material witnesses and continues to have in their every day lives Page 4 of cover
