## **Slim The Supreme Angels:**

**Encyclopedia of American Gospel Music** W. K. McNeil, 2013-10-18 The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form Coverage includes all aspects of both African American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends **Ebony**, 1996-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

*The Pilgrim Jubilees* Alan Young, 2001-12-17 In 1960 four young men went into a Chicago recording studio and revolutionized the sound of African American gospel music When they made that groundbreaking recording the Pilgrim Jubilees had been singing together for more than ten years Today they are still singing and they are still at the forefront of gospel music The Pilgrim Jubilees is their story told in their words From their beginnings in rural Houston Mississippi through the good times and the hard times of more than half a century traveling the gospel highway they have played a pivotal role in shaping an entire musical genre Today based in Chicago they stand as senior statesmen of gospel music The Pilgrim Jubilees know the pitfalls and hardships of their calling They tell of arriving in a distant town so short of money they can't afford to refuel the car then discovering their concert has been canceled They recall singing their hearts out then finding that the promoter has absconded with the money They remember the days when racism meant that even a gospel singer could land in jail simply for being in the wrong place at the wrong time And they recount the joys of the gospel life the elation of having a record at the top of the charts the companionship within the group and with the people to whom they sing and above all the drive to keep spreading the Christian message that has sustained them through the hundreds of thousands of miles they have traveled And all of these elements the highs the lows the successes the failures the spiritual the worldly are the subjects the Pilgrim Jubilees talked candidly and at length about to New Zealand journalist and gospel researcher Alan Young when he spent several weeks at home and on the road with them The result *The Pilgrim Jubilees* is the first full length book on an African American gospel quartet It's an illuminating look at the lives of the singers and musicians in the Pilgrim Jubilees For fifty years they have shone in a unique world where showbiz meets religion and the Jubes are stars Alan Young is a journalist in Auckland New Zealand He wrote *Woke Me Up This Morning* Black Gospel Singers and the Gospel Life University Press of Mississippi **Spirit of the Century** The Blind Boys of Alabama, 2024-03-19 An insider history of the Blind Boys of Alabama the longest running group in American music and the untold story of their world written with band members and key musical colleagues The Blind Boys of Alabama are the quintessential Gospel vocal group and the longest running musical institution in America Their story intersects with pivotal moments and issues in American history and is an ideal prism through which to trace music culture history and race in America *Spirit of the Century* invites readers to follow along the Blind Boys eight decade journey together from a segregated trade school through the rough and tumble indie

record game and grinding tour schedule of the golden age of gospel to starring in an iconic Broadway musical performing at the White House for three presidents twice collaborating with Tom Petty Lou Reed and Ben Harper among others singing the theme song for The Wire and winning five Grammys More than just a story of the Blind Boys illustrious career Spirit of the Century also sheds new light on the larger world of African American gospel music its origins and the colorful characters at its center Though there have been several iterations of the group over the decades Spirit of the Century rounds up all surviving members of the group as contributors to the telling of their own story and a result the book offers a unique and intimate perspective on the group s enduring success Current drummer and road manager Rickie McKinney has been with the group throughout its renaissance while guitarist Joey Williams the group s sighted member has been the eyes of the Blind Boys since 1992 Octogenarian Jimmy Lee Carter has a fascinating history as a fellow student of the original but deceased Blind Boys Clarence Fountain George Scott Olice Thomas Johnny Fields J T Hutton and Velma Traylor at the Talladega school Carter is one of a few performers who have been in both the Blind Boys of Alabama and Mississippi He fronts the Alabama group today as a classic quartet leader and fiery preacher Along with extensive interviews of Fountain these legendary musicians provide this book with the voice firsthand perspective and authenticity that bring their story the same inspirational power that you hear in their songs Thought provoking heartfelt and deeply inspiring Spirit of the Century is a fascinating and one of a kind read that you won t be able to put down
