Let the Long Day
A Book Review
by Barbara L. Hill
March 1, 1978

When Helen Weston's first book, *Let the Long Day*, was published in 1975, it was a landmark in children's literature. It was the first book to be written by a woman and illustrated by a woman. The book is a collection of stories and poems that are both beautiful and meaningful. The illustrations are simple and elegant, and the text is clear and easy to read. This book is a must-read for anyone who loves children's literature.
