Stolper,1985 This book is about an important episode and two of its sequels in Beijing s long struggle to achieve two goals by force if necessary First to prevent the US from detaching Taiwan from China and establishing Taiwan as a universally recognized separate and independent country as Russia and the Soviet Union were able to detach and establish Outer Mongolia and second to end the Chinese Civil War by bringing Taiwan under the rule of Beijing and the Chinese Communist Party

China's Island Frontier Ronald G. Knapp,2019-03-31 Until the seventeenth century Professor Knapp reminds us Taiwan lay obscure off the southeast coast of China an island cloaked in anonymity and inhabited principally by aborigines Then rather abruptly the island was thrust into the maelstrom of European commercial expansion in East Asia which in its wake drew Chinese peasant pioneers across the straits to Taiwan This is the story told from many viewpoints of how Taiwan was transformed over a period of three centuries from a raw frontier to a stable entity

with social and economic patterns similar to those found along the coastal mainland of southeastern China The Taiwan Question in Xi Jinping's Era Suisheng Zhao, 2024-11-01 Taiwan is one of the flashpoints with the potential to spark a war in East Asia With the rhetoric of striving for peaceful unification Xi Jinping has made clear that the Taiwan question is China's core national interest making it essentially non negotiable and important enough to go to war How has Beijing's Taiwan policy evolved What is the support for armed reunification among the Chinese people And how have Taiwan's internal dynamics and external relations changed in response to Beijing's evolving policy toward Taiwan These are crucially important questions that this edited volume delves into and hopes to answer This book will appeal to students and scholars of Chinese foreign policy Taiwan studies and cross Strait relations Political Science International Relations as well as Asian politics more generally The chapters in this book were originally published in the Journal of Contemporary China and are accompanied by a new Introduction **Island China** Ralph N.
