Teaching Ministry Of Congregations:

The Teaching Ministry of Congregations Richard Robert Osmer, 2005-01-01 In this important and groundbreaking book Osmer develops a practical theology of the teaching ministry He begins with the Apostle Paul identifying in Paul's letters to his congregations the core tasks of the teaching ministry

Charting Our Course Linda R. Isham, 1997 Isham provides a combination of theory and practice as she suggests strategies for preparing for a new century of Christian education

The Teaching Ministry of the Church William R. Yount, 2008 Updated and expanded the second edition of *The Teaching Ministry of the Church* offers churches a step by step plan for establishing and maintaining effective teaching methods for every age

Educating Congregations Charles R. Foster, 2010-08-01 A leading Christian educator offers a practical guide for revisioning a church's educational program After identifying the weaknesses in current education programs Charles Foster offers an alternative vision that is more cooperative more attentive to the whole of the congregation's life and that helps people critically correlate the Bible and Christian tradition to their own experience

44 Ways to Expand the Teaching Ministry of Your Church Lyle E. Schaller, 1992 As he shows how to identify the priorities for the Christian education program in any church Schaller takes an approach often considered contrary to what is offered by educators Helpful tips explain how teaching is the best way after preaching to attract new members teaching reinforces preaching and liturgy teaching activates a passive congregation and more

Consensus and Conflict Kenda Creasy Dean, Blair D. Bertrand, Amanda Hontz Drury, Andrew Root, 2019-01-01 Most students of practical theology recognize Richard R Osmer as the originator of the consensus model of practical theology one of the most accessible and widely used models of practical theological reflection in the world Yet Osmer's influence extends beyond practical theological method Over his long career his writing and teaching spanned Christian education youth ministry spirituality and evangelism as well giving each of these congregational practices new theological substance A pastor as well as a scholar at heart Osmer writes with the American congregation in mind insisting on making theology central to every Christian practice *Consensus and Conflict* traces Osmer's multi faceted intellectual career from his days as seminarian through his professoriate at Princeton Theological Seminary and his role in the founding of the International Academy of Practical Theology These themes unfold against the backdrop of ecclesial change that Osmer barely anticipated as a young pastor in New England and western North Carolina The contributors to this volume bear witness to Osmer's indebtedness to social sciences theologians like Moltmann and Barth his wide range of interests ranging from confirmation to redemptive agriculture to church planting and his deep hope that the theological disciplines will play a more vital role in practical theology's future Contributors Bo Karen Lee Richard R Osmer Shin Guen Jang Kyoo Min Lee Thomas Hastings Angela Reed Jessicah Duckworth Theresa Latini Nathan Stuckynathan Drew Dyson Gordon Mikosk Darrell Guder

Youth Beyond the Developmental Lens Wesley W. Ellis, 2024-01-23 What happens when we stop thinking of young people as projects and recognize them for who they are here

and now Wesley Ellis exposes the insidious impact of developmental psychology upon youth ministry and practice arguing instead for a theological anthropology of youth that can help us see all people including adolescents as uniquely created in the image of God Propelled by the conviction that ministry requires us to see youth as beings rather than becoming Ellis demonstrates how we can reorient our vision toward ministry that prioritizes relationship and inclusion over rigid developmental frameworks A veteran youth minister across multiple denominations Ellis knows his subject deeply as both practitioner and theologian Youth beyond the Developmental Lens mines personal accounts the biblical narrative and a vast array of theological expertise to release readers from restrictive assumptions that have long bound youth ministry Ellis s finely tuned pastoral sensibilities bring all these elements into focus helping us understand ministry as relational and all humans as part of God s story Rostered ministers lay leaders and others engaged with youth will find an antidote to anxiety about the future of the church Ellis reminds us that God is here already Our call is simply to be *Leading a Congregation to Relevance* C. Dean Waterman,2022-10-17 What is the measure of a successful congregation For most success is in the numbers but the new scorecard is relevance which is deeper and more impactful The fundamentals that bring relevance are not new but have been abandoned by many congregations for the newest methods and trends in church growth Within these pages is a new model for bringing these important fundamentals together They may be taken as a whole or implemented individually but when done so they bring a renewed focus to a congregation which results in lives changed and new relevance to those within the congregation and in the community it exists in The Teaching Ministry of the Church James D. Smart,1954-01-01 In this valuable philosophy of Christian education for theologians James Smart offers an excellent evaluation and redefinition of the goals of teaching ministry Important topics addressed in this book include how to use the Bible in curriculum development and the relationship of the church to secular education Jesus Christ Mike Abendroth,2008 Since preaching is God s ordained means of disseminating truth it is essential for Bible teachers to preach well and congregations to listen well This study of Jesus Christ s preaching will assist both the preacher and the congregation in their quests to honor the Lord with their respective responsibilities in worship *The Disciples in the Pacific Southwest Region* Edwin Linberg,Edwin C.
