**Teaching Young Children: Choices In Theory And Practice** Mac Naughton, Glenda, Williams, Gillian, 2008-11-01 This book presents early childhood students and staff with a broad and diverse range of teaching techniques to support children s learning It examines 26

techniques ranging from simple ones such as describing and listening to more complex methods such as deconstruction and scaffolding. The strategies selected are derived from the best current research knowledge about how young children learn. A detailed evaluation of each strategy enables childcare staff, early childhood teachers, and students to expand their repertoire of teaching strategies and to critically evaluate their own teaching in early childhood settings. Vignettes and examples show how early childhood staff use the techniques to support children's learning and help to bring the discussion of each technique to life. Revised and updated in light of the latest research, new features include coverage of the phonics debate, addition of ICT content, and questions for further discussion. Revision to the chapter on problem solving. Updated referencing throughout.

Teaching Young Children is key reading for students and experienced early childhood staff working in diverse settings with young children. *Teaching Young Children* Henniger, 2004-08-01 *Who Am I in the Lives of Children?* Stephanie Feeney, Doris Christensen, Eva Moravcik, 1996. With its focus on the fundamental values and guiding principles of early childhood education, this has become one of the most well-received books in the field. It provides a comprehensive introduction to the full range of early childhood education and care programs using a straightforward conversational writing style that appeals to a wide range of readers. A clear conceptual framework and integration of principles and practice promotes an understanding of the many parts of the field and how they interconnect. Detailed chapter topics cover four key content areas: foundations of early childhood education and care, understanding children, planning for care and education, and special relationships. For individuals considering becoming early childhood professionals.

**An Introduction to Young Children With Delays and Disabilities** Richard M. Gargiulo, Jennifer L. Kilgo, 2024-08-27. An Introduction to Young Children With Delays and Disabilities: Birth Through Age Eight introduces readers to educational policies, services, and practices for future educators serving young children birth through age eight with delays and disabilities in early intervention, early childhood special education, EI, ECSE. Thoughtfully and comprehensively addressing the needs of young children and their families, authors Richard M. Gargiulo and Jennifer L. Kilgo offer interventions and instructional techniques that provide students with a broad understanding of important theoretical and philosophical foundations, including evidence-based decision making, cultural and linguistic responsiveness, and appropriate instruction and interventions in classroom settings and beyond. The Sixth Edition has been thoroughly updated to incorporate the Initial Practice-Based Professional Preparation Standards for Early Interventionists/Early Childhood Special Educators developed by the Division for Early Childhood (DEC) and Council for Exceptional Children (CEC) in 2020, as well as the DEC Recommended Practices.
