It is no gainsaying the fact that a lot of parents find it difficult to teach their children how to pray To most parents this is an uphill task They would rather leave that to the pastors and church workers That is their jobs after all Some parents even assumed erroneously though that their children will eventually learn how to pray in one way or the order So you hear parents say things like we go to church every Sunday and they see the way the pastor or priest prays I am sure they are learning from there Well church can help in teaching your child the power and principles of prayer but church is supposed to supplement your effort and not to take up the whole project You can t afford to outsource such a huge responsibility to a third party A lot depends on your child learning how to pray The Bible has so much to say about children upbringing which I believe includes how to pray Proverbs 6 22 says to train up a child in the way he should go and when he is old or grown up he will not depart from it This go to show that whatever we inculcate in our children at a tender age follows them in their adulthood This book is designed to help you tackle that task You need not fear or worry about how to teach your children to pray just by following the steps outlined in this book you will discover that getting your children to form the habit of praying is not such a difficult task after all **When Children Pray** Cheri Fuller,2001-12-19 For Christian parents eager to see their children come closer to the Lord Cheri Fuller s When Children Pray is a godsend There s no better testament to the power and effectiveness of children s prayers than these stories of how God answers the prayers of our children and youth Most important this book prepares parents to teach their children how to pray not merely the mechanics but understanding and claiming the power of their heavenly Father through prayer Busy parents and those with questions about their own prayer commitments will find When Children Pray now in an updated contemporary cover especially helpful in passing on a legacy of faith to the next generation **Teaching Children to Pray** Keith Wooden,1992 Here is a book that will help parents teach their children to pray and how to pray with an emphasis upon their developing a friendship with God that will lead to a sense of companionship with him Kids and Prayer Patrick Baldwin,2019-09-30 Pray with Your Kids and Teach them How
