Bully Blocking at Work Evelyn M. Field,2010 Evelyn Field s masterful analysis of the ways we can help employees cope with and overcome workplace bullying and harassment is a must read for all concerned about how to right this wrong Dr Philip Zimbardo Stanford University and author of The Lucifer Effect Understanding How Good People Turn Evil Kudos to bully expert Evelyn Field for this helpful book Features many I can use that today techniques Read it and reap Sam Horn author of Take the Bully by the Horns and Tongue Fu USA No one goes to work to be humiliated abused ostracised subjected to rumours or assaulted Yet this is the reality of a working day for more than one in six workers Bullying causes billions of dollars in lost productivity expensive mistakes employee replacement costs and health and welfare rehabilitation expenses Most workplaces currently have few resources and systems to deal with the problem leaving the victims to sink or swim and the bullies to remain professionally incompetent Few understand that bullying is not tough management or an aggressive personality trait to be suffered Severe and unremitting bullying catapults the victim into such a damaging emotional state that it can lead to the breakdown of their very survival mechanisms Bully Blocking at Work reveals for the first time the true evil nature of workplace bullying helping the reader to understand its toxic destructive impact on all employees whether they are targets bullies or onlookers and provides advice for coping and confronting bullying from both a personal and organisational perspective The author has worked as a psychologist for over thirty years and has spent many hours listening to clients conducting interviews reading speaking and writing about workplace bullying Sprinkled liberally throughout the pages are quotes from the many sufferers of bullying that the author has personally worked with over many years

Where Heaven is Now Priscilla Ford,2020-02-17 He that loveth his life shall lose it and he that hateth his life in this world shall keep it unto eternal life John 12 25 The words that Jesus spoke are so often misunderstood

that people pretend they are not in the Holy Bible It is human nature to destroy those people and those things which they do not understand How do you feel while you know exactly when you re going to die Where Heaven Is Now will try to answer this question and many more A man does descend from the clouds of heaven and his name just happens to be Jesus Life is what s happening while most people are making other plans The recognition of Christ becomes virtually impossible if it is not recognized in one s self So this man Jesus arrives via parachute in a small town in Ohio It turns out to be quite an experience and somewhat of an adventure People have often asked the question What would Jesus say or What would Jesus do The end of the world is an individual thing and so is entering heaven It s human nature to feast on mass hysteria and look forward to sensational occurrences So many years of preaching and singing about something that never happens becomes unnecessary to the meaning The book is enjoyable to read and thought provoking
