The Angelics:

The Return of the Angels George Herbert Morrison,1909 *All the Angels in the Bible* Herbert Lockyer,2015-02-27
Your faith will be powerfully strengthened as you gain insight into the nature of angels and discover the purpose of their ministry Begun by the beloved preacher Herbert Lockyer Sr and finished by his son this clear detailed and eye opening volume examines every angelic encounter in the Bible 192 pages softcover from Hendrickson **The Revolt of the Angels** Anatole France,2016-02-10 The Human Spirit in His Quest for Knowledge I sought out the laws which govern nature solid or ethereal and after much pondering I perceived that the Universe had not been formed as its pretended Creator would have us believe I knew that all that exists exists of itself and not by the caprice of Iahveh that the world is itself its own creator and the spirit its own God Henceforth I despised Iahveh for his imposture and I hated him because he showed himself to be opposed to all that I found desirable and good liberty curiosity doubt Anatole France The Revolt of the Angels Arcade a guardian angel of the lowest rank seeks knowledge and falls out of Heaven because of it He meets other fallen beings who plot to dethrone God Maurice is the human who Arcade should be guarding and he wants his guardian angel back But is he ready to face the truth This book has been professionally formatted for e readers and contains a bonus book club leadership guide and discussion questions We hope you ll share this book with your friends neighbors and colleagues and can t wait to hear what you have to say about it The Wisdom of angels concerning Divine love and Divine wisdom. Translated from the original Latin, etc Emanuel Swedenborg,1852 **The Revelation of S. John the Divine** William Henry Simcox,1894
The origin and religious contents of the psalter Thomas K. Cheyne,1891 **The Complete Works** John Bunyan,1877
American Journal of Archaeology ,1893 **The Life of Jesus** David Friedrich Strauss,1913 The Catechism Explained Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface **Rays from the Rose Cross** ,1924 *The Book of Genesis* François Lenormant,1886 *Foundation Truths of the Christian Religion* Emanuel Swedenborg,1901 *From the exodus to the death of Moses* Louis Ginzberg,1911 The Epistle of St. Jude and the Second Epistle of St. Peter Joseph Bickersteth Mayor,1907 *Man mortal: being a reply to Mr. F. W. Grant's "Life and Immortality," etc* Robert ROBERTS (Christadelphian.),1875 **The 30 Trials of Ix and the Angels** Mark Durant,2004-09-16 The 30 Trials of Ix and the Angels follows Ix Pantheos from his awakening in a ruined castle through his travels to the moon the sun and beyond carried along

by the songs of thirty angels as they initiate him into the mysteries of consciousness and the nature of existence. The answer seemingly found and the journey apparently nearing its end, Ix then finds that he must suffer the destruction of his former self and face a new struggle to hold onto all that was revealed to him. Born of a series of meditations performed by the author and utilizing an eclectic mix of various world religious and occult philosophies, the story is a surreal journey into the depths of the mind, echoing Ix's own quest to redeem both himself and mankind. While it stands alone as an engaging read for those unacquainted with the various schools of inquiry that comprise the fertile field within which it took root, it retains that symbolism which may prove insightful to like-minded readers who find themselves treading its obscure paths.
