The Love That Was Meant to Be Pastor Darryl Riley,2022-11-03 The author of this book come from very humble beginnings the seventh child of nine children He was raised to be a God fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life **The Path of Intimacy** Scott Means,2018-02-22 Your marriage is on one of two paths The Path of Intimacy or The Path of Separation When it comes to passion and connection in your marriage you are either growing toward each other or growing apart We aren t intended to live together as roommates but as two people who are deeply connected on an emotional spiritual and physical level In fact the Bible makes it clear that in marriage a husband and wife are one which is why disconnection is so distressing and painful God has hardwired all of us with a deep seated need for intimacy and connection Yet couples everywhere struggle to attain and sustain the strong close relationship they long for In The Path of Intimacy Scott Means gives you a roadmap for your journey into deeper intimacy and greater passion in your marriage Along with insight into God s heart for marriage he offers both invaluable wisdom and practical steps you can take to quickly get off The Path of Separation and to stay on the Path of Intimacy Commentary on

1 and 2 Corinthians John Calvin, For hundreds of years John Calvin s Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit s words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy
