[Norwegian Empire](#) Rolf Hedger, The Viking Age which spanned from roughly the late 8th century to the early 11th century marks one of the most defining periods in Scandinavian history Originating from the lands of modern day Norway Denmark and Sweden the Vikings were skilled warriors traders and explorers whose influence reverberated across Europe

the Mediterranean and even parts of North America While they are often remembered for their raids and conquests their contributions to global trade culture and exploration were equally significant The Vikings were driven by a combination of necessity ambition and curiosity Norway with its rugged terrain and limited arable land pushed its people to seek out new opportunities Over time Norse seafaring communities developed advanced shipbuilding techniques creating the iconic Viking longships which were fast flexible and capable of navigating both open seas and shallow rivers This technology was crucial to their ability to explore distant lands and launch raids far from their homeland In 793 the infamous raid on the Lindisfarne monastery in England marked the beginning of the Viking Age This event shocked the Christian world but it was just one of many raids that would follow The Vikings attacked coastal settlements monasteries and trading centers driven by a combination of religious fervor the pursuit of wealth and a desire to spread Norse influence While the Vikings were feared for their brutality they were also adept traders forging links with distant cultures Their mercantile activities helped spread Norse craftsmanship jewelry and textiles while they in turn adopted valuable goods such as silk spices and wine Despite their reputation as raiders the Vikings were also skilled navigators and explorers They established settlements in Iceland Greenland and parts of the British Isles and they ventured as far as North America Leif Erikson s journey to what is now Newfoundland is one of the most remarkable feats of Viking exploration proving that the Norse had the ability to navigate across vast oceans to discover new lands *Viking Explorers and the Columbus Fraud* Wilford Raymond Anderson,1981

The Vikings Njord Kane,2015-08-11 The story of the Norse is a Viking adventure in history The Norse saga began with the first ancient tribes of Norsemen during the Early Nordic Stone Age The beginning of the Nordic Ax Culture when primitive Norsemen created their first battle axes from stone The evolution of an innovative and progressive culture that groomed legendary warriors whose voices still roar out today Take a journey into the Age of Viking Expansion where Ragnar Lothbrok Rollo Erik the Red and many other famous Vikings take you on a ride into the very Halls of Valhalla Very interesting and worth the read to anyone interested in the Vikings or Norse history Explore knowledge and technology specific to a culture that was shaped by a people able to reach great distances beyond their homelands and seas A battle ferocious people with shields armor and weaponry that was unmatched by their opponents A whole new world of understanding about the ancient vikings has been opened up by new archaeological discoveries and studies New findings that lead to new questions Could some of the mythological tales about giants in the Norse Sagas have had some truth behind them Researchers have found proof of giants and humans interacting together in our own DNA There are also many shared technologies between the Ancient Norse Asians the Inuit and other North American aborigines Viking explorers have long interacted and traded with many people and cultures afar Were ancient Norse already in contact with early Native Americans Were these the people they referred to as Skraelings Were they Proto Inuits known by the ancients as Thule People See for yourself with new information about the Norse that was once lost in time *In Search of History: Viking Explorers* History Channel,
