**ANAGRAM
DETECTIVES**

by Norma Schier

Introduction by Stanley Ellin

The Anagram Detectives

Peter Ridgway Watt, Joseph Green

The Anagram Detectives:

The Anagram Detectives Norma Schier, 1979 *Mystery Fanfare* Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **The Boy Detective in Early British Children's Literature** Lucy Andrew, 2017-10-19 This book maps the development of the boy detective in British children's literature from the mid nineteenth to the early twentieth century It explores how this liminal figure a boy operating within a man's world addresses adult anxieties about boyhood and the boy's transition to manhood It investigates the literary social and ideological significance of a vast array of popular detective narratives appearing in penny dreadfuls and story papers which were aimed primarily at working class boys This study charts the relationship between developments in the representation of the fictional boy detective and changing expectations of and attitudes towards real life British boys during a period where the boy's role in the future of the Empire was a key concern It emphasises the value of the early fictional boy detective as an ideological tool to condition boy readers to fulfil adult desires and expectations of what boyhood and in the future proper manhood should entail It will be of particular importance to scholars working in the fields of children's literature crime fiction and popular culture *Agatha Christie* J.C. Bernthal, 2022-08-09 The undisputed Queen of Crime Dame Agatha Christie 1890-1976 is the bestselling novelist of all time As the creator of immortal detectives Hercule Poirot and Jane Marple she continues to enthrall readers around the world and is drawing increasing attention from scholars historians and critics But Christie wrote far beyond Poirot and Marple A varied life including war work archaeology and two very different marriages provided the backdrop to a diverse body of work This encyclopedic companion summarizes and explores Christie's entire literary output including the detective fiction plays radio dramas adaptations and her little studied non crime writing It details all published works and key themes and characters as well as the people and places that inspired them and identifies a trove of uncollected interviews articles and unpublished material including details that have never appeared in print For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles this companion will provide the most comprehensive and up to date information **The Armchair Detective**, 1992 [The Annotated Innocence of Father Brown](#) G. K. Chesterton, 2012-04-26 Father Brown an ordinary priest whose unremarkable exterior conceals extraordinary crime solving ability is celebrated for his solutions to metaphysical mysteries a genre perfected by his creator G K Chesterton More than lighthearted comedies built around puzzling crimes these superbly written tales contain deeply perceptive philosophical reflections The Innocence of Father Brown 1911 was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best In this annotated edition of the collection the Chesterton scholar Martin Gardner

provides detailed notes and background information on various aspects of such stories as The Blue Cross The Secret Garden The Invisible Man The Hammer of God The Eye of Apollo and seven more as well as an informative introduction and an extensive bibliography Included also are eight illustrations reproduced from the first edition The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown

The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field

Beyond Crossword Puzzles Michael W. Miller, 1983

Detective Comics (2016-) #1000 Brian Michael Bendis, Warren Ellis, Geoff Johns, 2019-03-27 After 80 years it is here the 1 000th issue of DETECTIVE COMICS the title that literally defines DC This 96 page issue is stacked with an unbelievable lineup of talent that will take you on a journey through Batman s past present and future plus a sensational epilogue that features the first ever DC Universe appearance of the deadly Arkham Knight But who is under the mask And why do they want Batman dead The incredible future of Batman adventures begins here
