Indeed the mysterious Lady of the Mirror speculates that he might find the answers by journeying to the other side of her unusual looking glass a reflective ethereal portal that she calls a shimmer But there s a catch because the mysterious portal only allows a single person to pass through Druadaen must leave his companions behind Unfortunately once he has they discover that the shimmer only allows travelers to leave Arrdanc not return to it So his friends led by stalwart swordsman Ahearn resolve to find another means by which they can retrieve Druadaen and with him the truth of the world There s just one small problem with their quest the closer they come to finding a solution the more obvious it becomes that various powers on Arrdanc don t want them to succeed In fact they d rather Druadaen doesn t return at all So much so that they might kill both him and his friends in order to prevent it At the publisher s request this title is sold without DRM Digital Rights Management About the work of Charles E Gannon Caine s Mutiny This is military Science Fiction the way it s supposed to be written All in all a highly satisfying tale of the Terran Republic that moves the story forward and sets us up for the next chapter which promises to be interesting at worst and explosive at best SFcrowsnest Raising Caine Raising Caine unveils a lot of thought provoking ideas but ultimately this is a space opera adventure There are space battles daring emergency landings desperate quests hand to hand combat and double and triple crosses It s an engrossing read It s an intergalactic thrill ride Fantasy and Science Fiction Book and Audiobook Reviews This is science fiction adventure on a grand scale Kirkus Gannon s harrowing military space opera following Trial by Fire builds well on his established setting Gannon s signature attention to developing realistic alien worlds makes this installment satisfying Publishers Weekly
