

The Apartment Complex

California (State).

The Apartment Complex:

The Apartment Complex Pamela Robertson Wojcik, 2018-09-13 From the bachelor pad that Jack Lemmon's C C Baxter loans out to his superiors in Billy Wilder's *The Apartment* 1960 to the crumbling tenement in a dystopian Taipei in Tsai Ming-liang's *The Hole* 1998 the apartment in films and television series is often more than just a setting it can motivate or shape the narrative in key ways Such works belong to a critical genre identified by Pamela Robertson Wojcik as the apartment plot which comprises specific thematic visual and narrative conventions that explore modern urbanism's various forms and possibilities In *The Apartment Complex* a diverse group of international scholars discuss the apartment plot in a global context examining films made both within and beyond the Hollywood studios The contributors consider the apartment plot's intersections with film noir horror comedy and the musical addressing how different national or historical contexts modify the apartment plot and how the genre's framework allows us to rethink the work of auteurs and identify productive connections and tensions between otherwise disparate texts Contributors Steven Cohan Michael DeAngelis Veronica Fitzpatrick Annamarie Jagose Paula J Massood Joe McElhaney Merrill Schleier Lee Wallace Pamela Robertson Wojcik
