

A photograph of a mountain range under a hazy, orange-tinted sky, likely at sunrise or sunset. The mountains are dark and rugged, with some snow or light-colored patches. The quote is overlaid on the upper part of the image.

You know what they say about
"truth" and "the appearance of
truth" being opposites.

The Appearance Of Truth:

The Appearance of Truth Judith Moore, 1994 On 1 January 1753 Elizabeth Canning an eighteen year old maidservant disappeared somewhere between her uncle's and her mother's home Nearly a month later she reappeared at her mother's door she was half naked emaciated unable even to swallow Elizabeth's neighbors rallied around her with medical and legal support and when they pieced together her story of assault kidnapping and detention they pursued her assailants Susannah Wells an Enfield woman was soon identified as the owner of the house where Canning said she had been held Canning identified Mary Squires a gypsy woman resident in Wells's house as the person who had stripped her of her stays and thrust her into the derelict attic from which she had eventually escaped Eighteenth century criminal proceedings were swift Squires was sentenced to hang within a month of being charged and Wells was branded and imprisoned Lord Mayor Sir Crisp Gascoyne of London had presided at their trial but he was dissatisfied with the verdict He began to collect evidence that would provide an alibi for Mary Squires Other prominent figures were drawn into the complexities of the case among them the novelist and magistrate Henry Fielding who saw Canning as a figure of injured innocence as well as Dr John Hill an enemy of Fielding and a journalist who presented her as a scheming sexual adventuress Public controversy over the case grew rapidly inflamed Although Wells remained in jail Squires was pardoned and Canning was charged with and ultimately convicted of perjury Her trial one of the longest in the eighteenth century presented evidence placing Mary Squires in Enfield where Canning said she was and in Dorsetshire at the same time The case was ultimately decided not on the contradictory alibi evidence but by the judge's instructions to the jury to convict Canning was sentenced to transportation and she ultimately lived out the remainder of her life in Wethersfield Connecticut leaving the unanswered questions of her case to the many contemporary and subsequent authors who have written about it This study examines both the trial record and the various accounts of the Canning case Issues of probability class gender and most importantly narrative truth and authority are all central to this reanalysis of the notorious case
