others to our LORD and Savior Jesus Christ May these words and the meditations of my heart be pleasing in your sight O Lord my Rock and my Redeemer Psalm 19 14 Unseen Hands That Lead the Way Pearly Stanley,2021-11-08 I am a living proof that God can qualify those he calls God can use any one that is willing and ready to be used by him Throughout my life he has been so faithful to me I failed him so many times but he never failed me once I wanted to serve him on a broader level So I asked my heavenly Father to please use me in the way that he knows best I was pleasantly surprise when he suggested to write this little book Unseen Hands That Lead the Way His voice and guidance were so very clear to me And his presence was so real I have never experienced the presence of God in such a profound way as when I was writing this book It drew me in a deeper relationship with the one that I love so very much and that is my precious Lord Jesus This little book means so much to me because I can share the love of God with those I don t know or will never meet this side of heaven If I had a thousand tongue to speak with it would still not be enough to express my gratitude for the one who left the splendor of heaven to come to this cesspool of sin and to save a wretch like me Oh how I love him so But it is my holy and precious Jesus that loves me even more This book is not about Pearly Stanley It is all about the love of God for me I pray it blesses you the same way that it blessed me **The Invisible Chains That Enslave Us** Wes Brown,2023-12-06 For thousands of years mankind has been enslaved For the longest time real chains were used to enslave us In modern times the forces that be evolved from using real chains to invisible chains After thousands of years of wars famine plagues disease and man s inhumanity to both man and other life forms on the planet is humanity finally ready for an evolutionary step A step that will dissolve the invisible chains that enslave us After a lifetime of research Mr Brown has gathered together the keys to our past that he believes will unlock the next evolutionary steps His research covers the clues left throughout history in mythology religions and philosophy He explains why we are where we are today Then he examines some of the many ways we can recover our humanity and evolve as he believes we were intended The next evolution will not be through wars to conquer other nations or people but rather a dramatic shift in the way humanity thinks **Popular Astronomy** William Wallace Payne,Charlotte R.
