## **The Invitation System:**

**The Great Invitation** Erroll Hulse, 1986 How do we assess the effect of an evangelistic meeting or campaign Are we right to judge its success or failure by the number of people who go forward or sign a card There can of course be no greater or more important invitation to men and women than that of the gospel The preacher should never feel any inhibitions in declaring the free offer of salvation in Christ But does this mean that we are at liberty to use any method that appears to get results Is the appeal or altar call a justified method of encouraging that final commitment or is it an unwarranted addition to the inherent power of the gospel This is controversial and may come as a shock to many who have never considered the rights or wrongs of the invitation system before The authors desire is that all Christians think the issue through and ensure that the Great Invitation of the gospel is not based on modern trends or cultural pressures for instant success but on the sure foundation of the Word of God

**The Invitation System** Iain H. Murray, 1991-10-01 Almost all who claim to be Christians are agreed on the need for evangelism However evangelicals are still distinguished by their authoritative proclamation of man's state in sin necessitating a personal response to Christ in repentance and faith As distinct from vaguer conceptions evangelicals believe in the new birth of individuals In recent years however the pattern in which such conversions are most frequently expected to occur has been linked with the practice of calling people to the front during an evangelistic service This is the invitation system characteristic of modern mass evangelism from back cover *The Dangers of the Invitation System* Jim Ehrhard, 1999 God's invitation that must be extended to all is not synonymous with man's invitation system Only since the 1800s has this system been employed to bring men to Christ Since that time this system has been refined and employed to such an extent that many today equate coming to faith with coming down the aisle Such an equation is not only inaccurate it is dangerous because it deceives many into resting their faith on a profession rather than on Christ who alone is able to save to the uttermost p 5

HULSE, 1986 **The History and Biblical Use of the Public Invitation System** Peter J. Foxx, 2007 There may be more than one correct way to conclude a church service Given our culture's recent social moral and religious changes it might be wise to rethink the most effective ways to make the scriptures applicable to listeners lives at the conclusion of the preaching event People simply do not think and respond the same ways they did in earlier times On the other hand an open minded investigation could confirm for many that the traditional public invitation system best serves the church A fresh look at an old practice regardless of the conclusions drawn would be well worth the study Enlightened tradition is far better than unexamined tradition Leaves 9 10

**Examining Billy Graham's Theology of Evangelism** Thomas P. Johnston,2003-03-12 Examining Billy Graham's Theology of Evangelism was written to advance an unbiased understanding of Billy Graham's theology and practice Theological examination of Graham's sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham's theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ
