Brown, 2017-07-05 Focusing on W B Yeats s ideal of mutual support between the arts Karen Brown sheds new light on how collaborations and differences between members of the Yeats family circle contributed to the metamorphosis of the Irish Cultural Revival into Irish Modernism Making use of primary materials and fresh archival evidence Brown delves into a variety of media including embroidery print illustration theatre costume design poetry and painting Tracing the artistic relationships and outcome of W B Yeats s vision through five case studies Brown explores the poet s early engagement with artistic tradition contributions to the Dun Emer and Cuala Industries collaboration between W B Yeats and Norah McGuinness analysis of Thomas MacGreevy s pictorial poetry and a study of literary influence and debt between Jack Yeats and Samuel Beckett Having undertaken extensive archival research relating to word and image studies Brown considers her findings in historical context with particular emphasis on questions of art and gender and art and national identity Interdisciplinary this volume is one of the first full length studies of the fraternities arts surrounding W B Yeats It represents an important contribution to word and image studies and to debates surrounding Irish Cultural Revival and the formation of Irish Modernism **Blood Kindred** W J McCormack, 2011-01-11 In June 1934 W B Yeats gratefully received the award of a Goethe Plakette from Oberburgermeister Krebs four months after his early play The Countess Cathleen had been produced in Frankfurt by SS Untersturmfuhrer Bethge Four years later the poet

publicly commended Nazi legislation before leaving Dublin to die in southern France These hitherto neglected isolated and scandalous details stand at the heart of this reflective study of Yeats s life his attitudes towards death and his politics *Blood Kindred* identifies an obsession with family as the link connecting Yeats s late engagement with fascism to his Irish Victorian origins in suburban Dublin and industrializing Ulster It carefully documents and analyses his involvement with both Maud Gonne and her daughter Iseult his secretive consultations with Irish army officers during his Senate years his incidental anti-Semitism and his approval of the right wing royalist group L Action Fran aise in the 1920s The familiar peaks and troughs of Irish history such as the 1916 Rising and the death of Parnell are re-oriented within a radical new interpretation of Yeats s life and thought his poetry and plays As far as possible Bill McCormack lets Yeats speak for himself through generous quotation from his newly accessible correspondence The result is a combative entertaining biography which allows Ireland s greatest literary figure to be seen in the round for the first time *The Yeats Circle, Verbal and Visual Relations in Ireland, 1880-1939* Karen E. Brown,2011 Focusing on W B Yeats s ideal of mutual support between the arts and on the cultural production of the Yeats circle members Karen Brown explores the artistic relationships and outcome of Yeats s vision in five case studies In so doing the author makes use of primary materials and fresh archival evidence and delves into a variety of media including embroidery print illustration theatre costume design poetry and painting **Cathal O'Byrne and the Northern Revival in Ireland, 1890-1960** Richard Kirkland,2006 In this book Richard Kirkland explores the history of Northern Ireland through the biography of one of its most unusual and talented personages the legendary musician IRA activist poet and Catholic mystic Cathal O Byrne O Byrne s fascinating life as Kirkland shows is part and parcel of the extraordinary story of this fractured island Both gay and Catholic in Protestant dominated Northern Ireland O Byrne s circle of friends included Roger Casement Maud Gonne and Patrick Pearse Despite his outsider status O Byrne s work was indicative of major shifts in public opinion as O Byrne moved from Home Rule politics to an eventual commitment to arms during the Irish War of Independence Kirkland uses the story of O Byrne s life to delve into that of his colleagues during the Northern Irish cultural revival making illuminating connections among the Ulster Literary Theatre Belfast s music hall culture the Casement trial and the devastating Belfast pogroms of 1920 and 1921 Just as important Kirkland brings to light the hidden history of gay Belfast and the fate of Northern Ireland s Catholics in this previously neglected period after Partition but before the Troubles [Historical Dictionary of Ireland](#) Frank A. Biletz,2026-01-08 The Historical Dictionary of Ireland Second Edition provides a concise reliable and readable information on all aspects of Irish history society politics and culture **Anamorphotic Texts and Reconfigured Visions** Maryna Romanets,2007 In *Anamorphotic Texts* Maryna Romanets turns a discriminating lens on a still liminal Ukrainian cultural space and through its relation to the experiences of one of the earliest decolonized nations Ireland puts it on the discursive postcolonial map thereby destabilizing the paradigm of homogeneous Eurocentricity adopted by much postcolonial critique Bringing together two peripheral European literatures

Romanets uses Irish and Ukrainian histories as a shared point of reference charting an essentially untouched area of comparative typology in postcolonial cultural politics. Returning to the chiaroscuro terrain of respective nineteenth century Revivalist movements she projects their volatile energies onto contemporary struggles of the two cultures to represent their occluded traumatic pasts and ever evasive presents. In five linked essays Romanets explores in their sociocultural contexts the works of Kostenko, N. Dhomhnaill, Zabuzhko, Pokalchuk, Vynnychuk, Poderviansky, Longley, Heaney, Murphy, Carson, Montague, Banville, and Izdryk. She examines the ways these authors evoke the signficatory powers of their traditions to forge imaginary ones, interrogate the boundaries and slippages among personal, national, social, gendered, and historical disjunctions, and make every history open to revision and contestation. Drawing on postcolonial intertextual representation and gender theories, Anamorphic Texts reveals the mechanisms of conversion whereby Ukrainian and Irish writers, by engaging in epistemic dialogues with their own traditions, colonial discourses, and multicultural influxes, devise political strategies of empowerment and enunciation.

Portraying Irish Travellers Ciara Breathnach, Aoife Breathnach, 2006. This edited volume offers an interdisciplinary perspective on the history of Irish Travellers. Scholars from anthropology, history, literary studies, and socio-linguistics explore the methodological problems that arise when a marginalised minority is portrayed by an established and powerful majority population. Each chapter addresses how different sources illuminate settled and Traveller history alike. With new research and perspectives from a number of disciplines, *Irish Travellers: Histories and Representations* is a welcome consideration of a neglected aspect of Irish society, the relationship between Irish Travellers and the majority settled population. Although Irish Travellers are a conspicuous minority in contemporary Irish society, their past existence is often ignored. The contributors to this volume demonstrate a range of sources and approaches that prove Travellers deserve a place in the narrative of Ireland. This book will appeal to scholars interested in majority-minority relations generally and the example of Ireland in particular.

Converts and Conversion in Ireland, 1650-1850 Michael Brown, Charles Ivar McGrath, Thomas P. Power, 2005. Conversion was a highly controversial aspect of religious life in Early Modern Ireland, yet it remains under-investigated by modern scholarship. This

collection brings together both new and established scholars to begin the task of exploring this vexed issue The book takes a wide chronological span treats of the broad range of Irish confessional lives and uses a variety of disciplinary approaches interrogating the variety of individual motivations in the face of religious and political pressures to conform during a controversial period in Irish history

The "tinkers" in Irish Literature José Lanfers,2008 Irish travellers or tinkers have appeared as characters in Irish literature since the early nineteenth century Representations of this semi nomadic cultural and ethnic minority in works by non traveller authors almost invariably function in some way within the context of Irish identity politics whereby the tinker often serves as a primitive Other to a modern civilized Irish Self This study considers the tinker character in a large body of serious and popular literary texts some well known others rarely if ever discussed and traces how the literary construct of the tinker figure as domestic or foreign Other evolves over time Three chapters concentrate on specific historical contexts as the tinker shifts from being a relatively straightforward scapegoat in the literature of the early nineteenth century to being a more complex and ambiguous embodiment of both the aspirations and anxieties of the Anglo Irish writers of the Revival to being a barometer of aspects of modernity and regression in the mid twentieth century Irish Republic Three further chapters focus on thematic contexts that have particular relevance for the development of the tinker figure children s literature from and about Ireland fabulist narratives particularly those with plot configurations derived from Celtic mythology and crime and detective fiction set in Ireland Finally the way in which individual travellers represent themselves in autobiographical narratives of the late twentieth century is considered often in response to the fictional tinker stereotype that has persisted in sedentary society and its cultural expressions for centuries
