Brugnola, 1953 **Lyric Poetry by Women of the Italian Renaissance** Virginia Cox, 2013-07-31 Bilingual annotated edition of more than 200 poems by Italian Renaissance women many of which have never before been published in English Outstanding Academic Title Choice Lyric Poetry by Women of the Italian Renaissance is the first modern anthology of verse by Italian women of this period to give a full representation of the richness and diversity of their output Although familiar authors such as Vittoria Colonna Gaspara Stampa and Veronica Gambara are well represented half of the fifty four poets featured are unknown even to many specialists Especially noteworthy is an extensive selection of verse from the period following 1560 which has received little or no critical attention This later strikingly experimental proto Baroque tradition of verse is reconstructed here for the first time Virginia Cox creates both a scholarly teaching resource and a collection of poetry accessible to general readers with no previous knowledge of the Italian poetic tradition Each poem is

presented in its original language accompanied by a translation and commentary An introduction traces the history of Italian lyric poetry from the fifteenth to the seventeenth century Cox also provides a guide to meter rhythm and rhyme as well as a glossary of rhetorical terms and a biographical dictionary of authors Organized thematically this book offers poems about love religion and politics verse addressed to patrons friends family and places and polemical and correspondence verse Four languages are represented Greek Latin literary Tuscan of various levels of standardization and the stylized rustic dialect of pavan The volume contains more than 200 poems of which about a quarter have never before been published in a modern edition and more than a third have not previously been available in English translation Exhaustive and insightful This is an amazing book a major achievement in the field of women s studies Renaissance Quarterly reviewing Women s Writing in Italy 1400 1650 *Jewish Women in the Early Italian Women's Movement, 1861-1945* Ruth Nattermann,2022-06-30 This book is the first epoch spanning study on Jewish participation in the Italian women s movement focussing in a transnational perspective on the experience of Italian Jewish protagonists in Liberal Italy during the First World War and the Fascist dictatorship until 1945 Drawing on ego documents contemporary journals and Jewish community archives as well as records by the police and public authorities it examines the tensions within the emancipation process between participation and exclusion The book argues that the racial laws from 1938 did not represent the sudden end of an idyllic integration but rather the climax of a long term development Social marginalization the persecution of Jewish rights and the assault on Jewish lives during fascism are analysed distinctly from the perspective of Jewish women In spite of their significant influence on the transnational orientation of the Italian women s movement their emancipation as women and Jews remained incomplete **Italian Women's Experiences with American Consumer Culture, 1945-1975** Jessica L. Harris,2020-06-30 This book analyzes the spread of American female consumer culture to Italy and its influence on Italian women in the postwar and Cold War periods eras marked by the political economic social and cultural battle between the United States and Soviet Union Focusing on various aspects of this culture beauty and hygiene products refrigerators and department stores as well as shopping and magazine models the book examines the reasons for and the methods of American female consumer culture s arrival in Italy the democratic consumer capitalist messages its products sought to sell to Italian women and how Italian women themselves reacted to this new cultural presence in their everyday lives Did Italian women become the American Mrs Consumer As such the book illustrates how the modern consuming American woman became a significant figure not only in Italy s postwar recovery and transformation but also in the international and domestic cultural and social contests for the hearts and minds of Italian women [Italian Women and International Cold War Politics, 1944-1968](#) Wendy Pojmann,2013-01-02 A groundbreaking account of the two largest autonomous women s associations in Italy during the early Cold War the UDI and the CIF and how they developed an active Italian and global agenda for the advancement of women s rights **Italian Women Writers from the Renaissance to the Present** Maria
