The Jealous Gods:

The Gods are Jealous Gods Stephen Carley,1900 *The Jealous Gods. A ... Novel ... Concerning One Alcibiades.*
(*Second Printing.*). Gertrude Franklin ATHERTON,1928 **Jealous Gods and Chosen People** David Leeming,2004-03-04
Esteemed scholar David Leeming who has authored more than twelve books on mythology here offers the first
comprehensive narrative study of the mythology of the Middle East that tumultuous region that was the cradle of civilization
Leeming begins with a brief engaging history of the Middle East spanning Neolithic cultures the Bronze Age and the Iron Age
the invention of writing and the rise of Egypt and Babylonia Israel and Roman rule and the early history of the Jews
Christians and Muslims This is followed by an in depth discussion of the mythology of the region covering individual
pantheons cosmic myths mythic heroes and much more Leeming ranges from prehistoric figures such as the Mother Goddess
of atal H y k to Mesopotamian gods such as Marduk and mythic heroes such as Gilgamesh to the pantheon of Egyptian
mythology including the falcon headed sky sun god Horus and jackal headed Anubis The author also offers an illuminating
exploration of the mythology of the three great monotheistic religions of the region Judaism Christianity and Islam In a
provocative Epilogue Leeming depicts today s crisis in the Middle East as violent clearly immoral and illegal actions justified
by what can only be called myths He notes that fundamentalists in the area s three religions all see their way as the only way
forgetting that myths represent truths that are spiritual and philosophical not historical events that can be used to justify
acts of violence With key maps illustrations bibliography and index *Jealous Gods and Chosen People* provides an inclusive
authoritative and captivating account of a mythology that remains a potent and often destructive force in the world today

The Jealous God John Braine,1964 **The Jealous Gods** Ken Knight,2014-02-12 Possession is a double edged sword
that can slice through the strongest of human hearts or inspire the passions of another world entirely What one might do to
keep what they have ranges anywhere from calculated betrayal to a deal with the devil and woe unto anyone who sticks their
nose or any other body part where it does not belong Desire knows no bounds From a dying old woman s affection for her
helpful care giver to the unexplained appearance of a sexy female stranger the man meets well after her death it may be
proven true One never knows what someone else truly thinks when it comes to attraction but the idea of a lustful appetite
existing beyond the grave was assumed to just be the stuff of fiction **The Gods are Jealous Gods** Stephen Carley,1952*
