

The Kennedy Case

Guillermo Ramírez Cervantes

The Kennedy Case:

The Kennedy Case Rita Dallas, Jeanira Ratcliffe, 1973 WRITTEN FROM AND BY WOMAN WHO WAS THE NURSE TO THE KENNEDY FAMILY ESPECIALLY DURING THE TRAGIC YEAR OF PRESIDENT KENNEDY'S DEATH *The Kennedy Case* Rita and Ratcliffe Dallas (Jeanira), 1973 **Case Closed** Gerald Posner, 2013-10-01 Pulitzer Prize Finalist By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review The Kennedy assassination has reverberated for five decades with tales of secret plots multiple killers and government cabals often overshadowing the event itself As Gerald Posner writes Fifty years after the assassination the biggest casualty has been the truth In this first ever digital edition of his classic work updated with a special comment for the fiftieth anniversary Posner lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured over the decades what really happened in Dealey Plaza on November 22 1963 Drawing from official sources and dozens of interviews and filled with powerful historical detail Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F Kennedy Now updated for the first time in twenty years with an epilogue from the author containing new information *The Case Against the Kennedy Clan (in the Assassination of President John F. Kennedy)*. Joachim Joesten, 1968 **A Farewell to Justice** Joan Mellen, 2005 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy's murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy A Farewell to Justice reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with U S Customs and that the attempts to sabotage Garrison's investigation reached the highest levels of the U S government Garrison interviewed various individuals involved in the assassination ranging from Clay Shaw and CIA contract employee David Ferrie to a Marine cohort of Oswald named Kerry Thornley who at the very least was a Defense Intelligence Agency asset Garrison's suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison's effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies roles in both a president's assassination and its cover up set in motion well before the actual events of November 22 1963 **The Kennedy Case** Sydney A. Martin II, 1980 **"The Kennedy Case"** Guillermo Ramírez Cervantes, 1983 Cold Case Kennedy Flip de Mey, 2013 Take a front row seat in the investigation to discover what really happened in Dallas just after midday on November 22 1963 Flip de Mey has spent many years analyzing the dossier on the assassination of President John F Kennedy He re examined all the original investigation documents and challenged both the defenders and

the critics of the official account 50 years after the event he comes up with a surprising and groundbreaking theory Cold Case Kennedy is the first book to systematically scrutinize all aspects of the murder dossier Why did Robert Kennedy remain silent Was there really a magic bullet What was the role of Lyndon Johnson in the drama Was there more than one sniper Why did the Warren Commission refuse to consider a third victim on Dealey Plaza What was a convicted gangster doing in the building directly across from the Texas School Book Depository And last but not least was the official investigation the most in depth inquest ever to be carried out or was it nothing more than a clumsy attempt to sweep things under the carpet Flip de Mey started his career as a lawyer but studied further to become a forensic auditor specializing in the unraveling of fraud and other irregularities His expertise based on many years of experience and his specific methods for analyzing complex dossiers served him well during the pursuit of his passion the assassination of JFK

Case Open Harold Weisberg,1994 No one knows more about the assassination of President Kennedy than Harold Weisberg so said the FBI in open court Harold Weisberg a former OSS and Senate Investigatorwrote and published Whitewash in 1965 the first book criticizing the conclusion of the Warren Commission Since then he has written and published seven books on President Kennedy s assassination Case Open is a book Mr Weisberg felt compelled to write He felt a need and determination to set the record straight In proving that Gerald Posner in Case Closed has proven nothing Mr Weisberg has proven that President Kennedy was killed by a conspiracy In analyzing Case Closed he demonstrates that Gerald Posner has distorted evidence suppressed evidence omitted evidence developed no new evidence omitted sources misappropriated the research of others and misled the reader into believing that he had sponsored new scientific computer enhancements At best Gerald Posner has provided a case for the prosecution Now it is time to present the case for Case Open Let the American public decide who has presented the stronger case Gerald Posner or Harold Weisberg
